DECLINES TO ANSWER.

TWO RATHER STUBBORN WITNESSES ON THE STAND.

The Treasury Investigating Committee at Philadelphia still doing business at the Old Stand—Colonel O'Connell's Refusal to Answer.

PHILADELPHIA, Oct. 13.—

The Treasury Investigating Committee, appointed by the senate and house representatives, yesterday resumed further investigation.

THE WITNESSES.

The first witness was Colonel Clayton McMichael of the North American. He was examined as to the payments made by his paper of 40 per cent. rebate on the delinquent mercantile advertising.

HE DECLINES TO ANSWER.

The committee retired for consultation and upon their return Colonel McMichael said: "I decline to answer."

HE PAID TO BARDELEY.

He made arrangements for The Evening Bulletin to publish the report of the committee received by him to the effect that he had received the commission in money in each case and paid every cent of it over to Bardeley.

HE PAID TO BARDELEY.

While Captain Cook was testifying a special messenger from the postoffice came into the room, bringing with him the missing stenographic report of the proceedings.

THE WITNESS.

It had been forwarded by James Burke, the former stenographer of the commission from Ann Arbor, Mich., and had been delivered to Harrisburg, from whence it was forwarded.

THE WITNESS.

With reference to Bell stamps. Baltimore, Oct. 13.—The clerk of the Johnson postoffice was informed on Sunday by a policeman that he was violating the law in selling stamps.

FASSETT WARMLY RECEIVED.

Swago People Give Him and His Party a Cordial Greeting.

On Wednesday, Oct. 7, 1891, Candidate Fassett and his collection of speakers were accorded a most enthusiastic reception here yesterday.

ON THE CENTRAL PACIFIC ROAD IN CALIFORNIA.

A Pullman Sleeper Loaded With Passengers Thrown from the Track and Rotted Down a Fifty-Foot Embankment—Train Wreckers Responsible for the Accident—Fifty-Five Persons Injured.

SACRAMENTO, Oct. 13.—

The train on the Central Pacific road was wrecked between Colfax and New England Mills. The train passed through a deep cut and ran into an embankment.

THE CAUSE DISCOVERED.

An investigation showed that the train had been driven on the outer edge of the track where it makes a curve, and there is no doubt that an attempt was made to stop the train.
