**THE SCOTT PRIZE.**  
Some astonishing information was given out by pupils of our High School last Friday in answers to 100 questions asked in the H. W. Scott General Information contest. According to some of the answers Fanny Crosby was a noted nurse, Gen. Joffre is a prominent leader in the Mexican troubles, Zita Holbrook is still Sheriff of Otsego county and John Findley is president of the Board of Education, Herod saw the "handwriting on the wall" and Joseph interpreted it. Whitaker wrote The Raven, and Revelations is the second book in the Bible. There are other astounding things in these answers.

Notwithstanding all this, there were more than the usual number of papers securing high marks, and the winner, Miss Vivian Rockwell, secured 92%. The prize is a \$5 gold piece.

**SAD EVENT.**  
Last Thursday Mrs. Louella Schermerhorn of New Berlin Center was operated on for appendicitis in Faxon hospital at Utica. The case was very unfavorable and Friday morning her sister, Mrs. Charles Lawrence of this village, was notified that Mrs. Schermerhorn's condition was very critical and for her to come to Utica. Mrs. Lawrence went to that city that day. Mrs. Schermerhorn died Saturday morning. The funeral was held at her late home Monday afternoon.

Mrs. Schermerhorn leaves six children, two of them married, and two 10 and 14 years old. It is remembered that Mr. Schermerhorn about four years ago was killed by being thrown from a load of hay by a fork-tripping rope while unloading.

In their sorrowful experience the family are assured of the sincere sympathy of all.

**ONEONTA-MORRIS ROAD TO BE BUILT.**  
The supervisors of the county of Otsego have been notified that a special session of the board has been called to meet at the court house in Cooperstown on Wednesday, June 9.

The purpose of the meeting is the consideration of highway matters, and in particular the Oneonta-Morris and Unadilla Forks-Bridgewater roads. These two roads are the first to be constructed under the plan adopted by the board at its regular session, and the meeting will consider and approve the plans for the two roads and make the necessary appropriation of county funds, which are preliminaries to action on the part of the State.

This done, it is believed that the Morris road at least will be put under contract without delay.

**OBITUARY.**

# THE OTSEGO ASSOCIATION.

The 120th annual meeting of the Otsego Baptist Association, which was held in Morris last week, was pronounced by the delegates attending as one of the most interesting ever held. No doubt the beautiful weather aided in this impression; the hospitality also of the Morris people was another factor and a crowning feature was the geniality of the visitors, about 100 in number, who were all glad to form new friendships and renew old acquaintances. Every church in the Association was represented.

The session of Wednesday afternoon was given up to the Sunday School interests with Otis L. Arnold of Edmeston presiding. Two excellent addresses were given. Rev. L. A. Rowley of Edmeston spoke on the topic: "Some opportunities of the teacher," and Rev. Geo. Stanley's topic was "Jonah in the hands of the Great Potter." Mr. Arnold was re-elected president. County Superintendent Henry Odell conducted an interesting conference in which many questions relating to the work were discussed and questions answered.

Wednesday evening the Young People had the right of way. Special singing by the Morris Endeavorers was a pleasing feature. Walter Gardner now of West Oneonta presided, Miss Maida Blanchard, president of the County C. E. Union had a message for the young people calling them to more efficient work for the church. The main address of the evening was given by Rev. Dr. Alfred E. Alton of Colgate University on the topic, "The Finest Art in the Art of Right Living." The doctor is a genial happy speaker and won completely the hearts of his large audience.

Walter Sweet of West Edmeston was elected president for next year. Early Thursday morning the Women's Missionary Society held a business meeting and heard reports from the thirteen circles in the Association, which have given the past year \$500 to Foreign Missions, \$320 for Home Missions, \$700 in value of clothing, etc. to mission stations. The following officers were elected for the year: President—Mrs. C. W. Horton of Edmeston.

Vice-President—Mrs. U. G. Welch of Edmeston.  
Secretary—Miss Grace Bennett of Springfield.

At the meeting Thursday evening the Women's Society had charge. Following a beautiful solo by Mrs. U. G. Welch of Edmeston, Mrs. C. E. Nichols of White Plains gave a most interesting address on home and foreign missions, giving her audience word pictures of the needs and opportunities which thrilled her hearers and made them all sympathetic listeners, and certainly deepened the interest of all in mission work.

The Association paper opened at 10:30 Thursday morning, with F. L. Mills presiding as Moderator for his 13th consecutive year, and E. E. Carpenter the clerk in his 20th year of service. Both from the Morris church, and were re-elected for the coming year, with Floyd McEwen of Cooperstown as treasurer also rounding out a service of many years.

The annual sermon was preached by Rev. F. S. Squyer of Cooperstown. His topic was "World Forces at the Command of Baptists," and his text was Zechariah 9:9: "Rejoice greatly, O Daughter of Zion," etc. His points were the three ways which have been used to bring the world to Christ: Force, Formalism, Foresight.

The following new pastors were welcomed into the Association by Pastor Squyer: Revs. Geo. R. Stanley of Brookfield, Geo. F. Adams of Mt. Vision, Robert S. Walls of Unadilla Forks and A. G. Adriance of West Edmeston.

At the afternoon session the letters and reports from the churches were presented. There were 39 deaths during the year of members of the churches of the Association, and the letters noted that six of these were deacons and one, Rev. H. H. Fisher, a retired minister identified with the association for 68 years. The letters reported 62 baptisms, as against 46 the year previous. The reports also showed an increased beneficence over former years, \$3,012 as against \$2,700 as reported last year. The churches are gradually working into the Every-Member Canvass system and seem to commend it.

As an interesting item we give the names of the deacons lost to the Association during the year: Dea. A. A. Winton of Morris, Dea. Thomas E. Craine of Brookfield, Dea. Geo. Rose of Schuyler Lake, Dea. Charles Materson of Mt. Vision, Dea. Moses J. Ottaway of Cooperstown and Dea. Dorr J. Webster of Burlington Flats.

On a motion unanimously passed the large audience present instructed the Committee of Resolutions to prepare a resolution and forward the same to President Wilson expressing our prayerful interest and earnest sympathy with him and his counselors at this critical time in our country's history.

Rev. E. B. Richmond of the State Convention addressed the Association in a most entertaining and interesting talk on the work of that organization.

Friday morning the various standing committees reported and the business of the Association was transacted. Edmeston will be the place of meeting next year and Pastor Courtwright was named to preach the annual sermon. It was voted that the meeting next year shall occupy but two days instead of parts of three. The closing address was given by Rev. W. B. Materson of New York, representing the Society for Ministerial Relief.
