dren are to render their Easter can-
tata both morning and evening on
Easter Sunday and you know you
surely will be there to hear their
sweet voices on this occasion. The
time of the year to take off the old
and put on the new. How about that
new suit. It costs you no more now
than after Easter. All wool suits
\$19.85 to \$27.50, nothing higher.
Hats, caps, shirts, hosiery, shoes,
everything for your Easter joys.

The cantata "Victory" will be
sung by a portion of the pupils of the
High School in St. Matthew's Parish
Hall directly following the commu-
nion service, Easter Sunday morning,
April 8th. The communion service
will be held in the St. Matthew's
chapel at 9:30 a. m. The cantata
will be sung promptly at 10:20 a. m.,
in the Parish Hall. All are cordially
invited to attend either or both ser-
vices. Immediately following the
10:20 a. m. service at the Parish
Hall the students will go directly to
the Baptist church to be ready to
sing the cantata there at 11 a. m.
While perhaps you will not care to
hear the cantata both times Easter
morning we sincerely hope that the
parents of the young people and chil-
dren will hear them sing at both ser-
vices. We believe and hope that it
will be an inspiration to all who at-
tend. We hope there will not be a
vacant seat at either service and all
will have ample time between services
to find good seats at the 11 o'clock
service.

Tri-Valley League Baseball Meeting.

An enthusiastic meeting of the
Tri-Valley Baseball League was held
at the Gilbertsville High School
building Friday afternoon, March
23, 1928. Delegates were present
from five high schools: Morris, South
New Berlin, Unadilla, Otsego and Gil-
bertsville. Otsego has recently been
invited to join. With Supt George
Preston acting as chairman, the fol-
lowing officers were elected:

Secretary—Kenneth Shaw, Gil-
bertsville.
Treasurer—Merritt Bridges Jr.,

The League voted to buy a cup,
not to exceed \$25 in value, to be pro-
cured by the League treasurer by
assessments from all the teams in the
League. Provisions were made that
the cup should belong permanently to
any team winning it for two years.

It is expected that the committee
on schedules of games will be able to
report soon and that a season of good
snappy baseball will be the result.

All the teams are expected to make
the best possible showing that they
can and they will appreciate the sup-
port and encouragement of all the
people interested in good, healthful
sport, particularly baseball.
