New Lisbon Farm Telephone

Directory

Central Office, Garrattsville, N. Y.

Rules of the New Lisbon Farm Telephone Company

Rule 1. All telephones to be the property of the company and renters will be held responsible for all damages to the instrument from improper use, and renters must not themselves nor allow any other person to attach any piece of electrical apparatus, wires extension bells or telephones to the lines, as such injure the working of the lines and cannot be allowed.

Rule 2.—Rentals. Ten dollars must be paid when instrument is installed, and each succeeding year's rent will be \$12, subject to a discount of \$2.00 if paid to the treasurer within 10 days of date it becomes due, all rents being payable in advance and for a full year only.

Rule 3. Instruments are rented for the use of the renter and family and regular employed hired help when in actual service of employer who is a renter of a phone. A renter and his hired help may have the free use of the line from any instrument on the line with the consent of the renter of said instrument, provided such hired help uses the line only in the interest of his employer.

Rule 4. Renters must charge and collect a toll from persons who are not renters and turn over to the company all such tolls when bill is rendered by the company for same. No message for less than 10 cents. Toll rates to all points on lines belonging to this company 10 cents. For rates to other points enquire at central office.

Service on all lines which are not on our free exchange lines will be charged to the renter of phone used; also messenger fees. All switchboard calls before 5 A. M. and after 10 P. M. will be checked as toll messages, except calls for physicians or nurses. Service on Sunday is closed from 12 M. to 1 P. M.

Rule 5. Contracts cannot be sold or sublet. In case house becomes vacant during the year, the company reserves the right to remove phone by paying pro rata rebate of rent.

Rule 6. Central calls are limited to 5 minutes to subscribers, and for each minute in excess of this limit, 3 cents per minute will be charged to the renter of the phone making the call, and bill will be rendered for same at the time and in the same manner as other bills for toll service.

Directory, September 1, 1928

Subscribers, please use this Directory in making calls through Central, and call for party by numbers and letters in left hand margin. Do not mislay this book, but arrange for some place near your telephone to hang it, so that you will always be able to call for your party by number, as the person operating may not be able to call your party without causing a delay to you and to the service generally if you do not give the number when calling. The operator will, upon request, give you the number of new telephones installed after the date of this directory, and which do not appear in this book.

If operator tells you that a telephone has been taken out, please write the word "out" just before this name in your directory and thus keep your list alive.

After Central answers, give your name, and then the number you want. Don't call when there is a thunder shower.

Remember your 5 minutes.

When calling Central, call once and wait. Give her a chance to answer. Unless you leave your call with Central for a party no attention will be given it.
