TELEPHONE DIRECTORY 1964-1965

EMERGENCY CALLS

Fire—State Police—Medical Aid

Call the Operator, tell her your name and the necessary information. (Be sure to tell her where help is needed)

Federal Bureau of Investigation (FBI) Call Operator

WARNING: New York State law requires you to hang up the receiver of a party line telephone immediately when told the line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. It is unlawful to take over a party line by stating falsely that the line is needed for an emergency. The law defines an "emergency" as "a situation in which property or human life are in jeopardy and the prompt summoning of aid is essential."

HOW TO USE YOUR TELEPHONE PROPERLY

1. Use your directory to CALL BY NUMBER. From that number the operator knows at once where to place your call.
2. After finding the number, lift the receiver to determine if the line is free. If it is, the automatic ringing phone will signal the operator. If you have the manual type ringer, replace the receiver and ring one long ring, then pick up the receiver.
3. "Code" ringing on your party line may be determined as follows:—All numbers preceding a letter in a group represent the number of the line. If the letter is "Y", the numbers following designate the alternate rings starting with a 'short'. If the letter is "F", the rings start with the designated number of 'longs', and alternate similarly.

Example:—Y12—one short, two longs.
F12—one long, two shorts.

MORRIS

TYPES OF CALLS

STATION-TO-STATION

Call station-to-station if you will talk with anyone who answers. Rates are lower than person-to-person. Charging begins when the called telephone answers.

PERSON-TO-PERSON

Call person-to-person when you must talk to a particular person or extension telephone. Rates are higher than station-to-station. Charging begins when conversation begins.

CONFERENCE

You can talk with several people in different places at the same time. Tell the Operator you wish to make a conference call.

COLLECT

You can make most calls "collect" if the person you are calling agrees to pay the charge. If you want to make a collect call, please be sure to tell the Operator when you give her the call.

DIRECT INWARD DIALING

Under the system known as Direct Inward Dialing, an outside caller merely dials the central office designation followed by the extension he wants. The call will go directly to the extension instead of a switchboard operator.

Customers who have this service will tell you about it so you can dial them more conveniently.

MOBILE AND MARINE SERVICE

You can make calls to automobiles, trucks and boats equipped for mobile telephone service.

Some calls can be completed by dialing; others must be completed by an operator. If you desire assistance, call the operator.

OVERSEAS CALLS

(Including Alaska and Hawaii)

You can call practically all the world's telephones from your telephone. Tell the Operator you wish to place an overseas call and give her the name of the country you are calling.

Some typical weekday rates for a 3-minute call (excluding Federal Excise Tax)

ARGENTINA	BERMUDA	-----	\$4.50
AUSTRALIA	PANAMA	-----	7.00
BRITISH ISLES	PUERTO RICO	} \$12.00	6.50
ITALY	VIRGIN IS.		
JAPAN	HAWAII	-----	7.50
PHILIPPINE IS.			

ALASKA { Anchorage \$9.00 Juneau \$8.25
Fairbanks 9.00 Nome 9.00

Reduced rates apply on calls to many countries during certain night hours and on Sundays.

LONG DISTANCE RATES FROM ONEONTA

These typical rates are for the first 3 minutes and do not include the Federal Excise Tax. (Most rates are lower every night from 6 p.m. to 9 p.m. and all day Sunday, Thanksgiving, Christmas and New Year's Day. The lowest rates

of all apply on station-to-station calls from 9 p.m. to 4:30 a.m.) Time at the calling point governs the application of these rates. For rates to other points, dial the Operator.

For collect or credit card calls, charged to a third telephone, after 6 p.m. rates apply.

BUSINESS with the Telephone Company

Your Service Representative

Your account is handled by a representative at the Business Office who will help you in any service requirement. She will arrange for new or additional telephone service, a move or disconnection of service, listings in the directory, and advertising. She will also answer questions about your bill or payments, and will furnish information on other telephone matters.

To reach your service representative, place your call as follows:

- From Cherry Valley, Cooperstown and Hartwick telephones
—dial LH 7-9951.

- From Oneonta telephones
—dial 432-9951.

- From all other telephones
—dial Operator.

No charge is made for these calls. Office hours are from 9:00 to 5:00 (closed Saturdays, Sundays and holidays).

Our Business Office is located at 17 Elm Street, Oneonta.

Your Telephone Company Manager

Robert D. Shea Oneonta, 432-9951

Bills Can Be Paid In Person at Any of the Following Locations

Paying By Mail — Please Mail Payments to:

New York Telephone Company, P. O. Box 777, Utica, N. Y. 13503

When mailing payments please use the return envelope that has been enclosed with the bill. Please return the punched card with the payment. If the card has been mislaid, write your telephone number (including your area code) on the check.

Personal Directory of Telephone Numbers

Keep your personal list of local and out-of-town numbers in an attractive booklet that you can obtain free. It contains a list of more than 2,500 area codes and has a time zone map of the United States and Canada. To get a copy, just call, write or visit your Business Office. If you have more than one telephone, you can have a booklet to keep near each telephone.
