1969

Morris Central School
Morris, New York

Dedication

We have known Mrs. Jacobsen not only as an 8:30 to 3:30 teacher, but also as a full-time advisor and friend. Because of our great regard for her, we dedicate the 1969 Morrisianian to "Mrs. Jake" and hereby declare the one person who shared all our trials and tribulations as seniors an honorary member of the class of 1969.

ALMA MATER

Morris High our Alma Mater,
For glory and for fame
We strive by all uniting
To raise our voices in proud acclaim,

We honor and uphold thy standard,
Linked firm in bonds of white and blue,
We'll think of you, our Alma Mater,
To you we'll all be true.

We love the fair name of Morris,
Which long has stood without stain
It's here we work for Alma Mater
To guard her honor is our aim.

Your sons and daughters ever praise thee
As from your friendly halls they go,
And oft in mem'ry they recall
Their school days long ago.

MR. RYTHER

To the graduates of 1969 I say "congratulations" for achieving the first major goal of your formal education training. Graduating from high school denotes successful completion of your first thirteen years of schooling. As you enter the competitive world for the fulfillment of higher ambitions, you may periodically think back on your years spent in Morris Central School and be thankful for the efforts you put forth to take advantage of what the school and teachers offered you. Class History

Dear Kindergarten parents:

Sept. 7, 1956

We've had a wonderful week! It's a special privilege to share the first smiles and tears of a new Kindergarten class. Much to my joy the tears have been few.

Sept. 21, 1956

The big news this week is our new friend Billy - Susan G.'s two-week-old billy-goat spent the past two days with us. The children have really enjoyed playing with him, building a pen for him (even though he didn't stay in it) and feeding him from a bottle.

Nov. 9, 1956

Our sand for the play yard arrived Monday. The children have had a wonderful time with it. I do hope most of the sand shakes off before they reach home.

Dec. 14, 1956

Monday at 1:00 the senior play will be presented for students - if you wish your child to go please send 15¢ (do you notice inflationary trends?)

Shirley Schick

Those were some of the HEADLINERS of our first year of school. Most of our senior class has attended Morris Central since Kindergarten, but we do have some "late-comers" in our midst:

Perry Tourtellot joined us in 2nd grade

Barbara Hansen and Jim Bankich - in 4th grade

Jane Matthers and Bob Eklund - in 5th grade

Sean Dugan and Renate Foerster - in 6th grade

Jane Loeser - in 7th grade

Don Walling - in 9th grade

Ray Moore - in 10th grade

Now we're one big happy family with poor Mrs. Jake.

After our 8th grade graduation - the last one for M.C.S. students - our whirlwind of high school days began with our entrance into the 9th grade. Mr. Zoch and Mr. Knapp learned that it took us awhile to wake up and get to our homerooms on time. Mr. Gregory gave up teaching Earth Science after he had us. Some of us French I students had our first taste of the "real thing" when we attended a concert of MARC ET ANDRE, French folk singers.

That was the year of the Rotary's first Snow Carnival, the time we eagerly made our snow sculpture a rocket that changed into a space man that changed into a Coke bottle that changed into a 6-foot clothespin. That masterpiece rewarded us for all our efforts by melting and falling into a heap before the judges ever saw it!

Slave days, movies and thousands of bake sales also kept us naive freshmen busy that year.

Then our ordeal began - the 10th grade, with English 2B, biology, geometry, and all those treacherous subjects. (No, the subjects weren't bad. It was the homework that killed us!)

To lessen the drudgery, some of us became "cultured" and took part in Mr. Burr Harrington's dancing class, which ended with a grand Cotillion; there, we had a chance to step formally on friends, and parents toes!

Also, to further our education we took a field trip to the Cornell Science Day; there we learned most interesting things - like the sex-life of a cabbage!?

We started off our 11th year by breaking the custom of having round class rings, we ordered square ones. The new Vocational School in Oneonta was attended by several members of our class. Since our college years were soon approaching, Mrs. Chase led us around on several visits to campuses - both 2 - and 4 - year schools - all sizes and shapes. Our big money-making projects were two Junior Carnivals (with everything from spook houses to fortune-telling to penny-pitching), and dances.

Mrs. Dodsen's "num-num" French III class "field-tripped" to New York to go to the United Nations Building, a French play by Moliere, and a French restaurant (remember that day Clare?) Albert demonstrated his skill in driving bus 28 by maneuvering over, under, around, and through thousands of taxi-cabs. Our fearless and faithful mothers displayed their culinary talents by preparing a "super-duper" Alumni Banquet in June.

Class History (cont.)

Now in our final year we have really been working madly to earn our way to the "big city." Gary's cool truck helped make our work day successful by carrying us and piles and piles of leaves to the dump. (our old colleague, Dale McGonigal, even came to help us!) We made more money by pitching Mr. Sheldon's tent and selling goodies to all the freezing football fans. Our biggest project was "Annie Get Your Gun," the first musical a Senior class has ever presented. Practically everyone in the class played a part in executing the production; and what would we have done without Miss Flo (so energetic and good-spirited), Mrs. Herrick (so devoted that she braved blizzards in her little red Opel, and let us use her choo-choo train), and Miss Lenhardt (so talented that she could hammer to the rhythm of the songs we were singing)? Like all previous Senior classes we sold candy (Mrs. Jake bought 25 boxes!) and we sold magazines (Donna and Gary were high salesmen). Mr. Stafford gave the senior economics class a preview of N.Y.C. by walking with us around the Wall Street and Fifth Avenue area one day in October. Now we will feel more at home when we go to stay for 4 days in April. Most recently, 15 of us (Sean, Jody, Nancy, Jim B., Tom R., Cindy, Marcia, Pam, Jane L., Carl, Sophie, Mike, Susan G., Renate, and Donna) have been helping as teacher aides during our free periods. This program has helped to make us feel truly useful. (Don't ask the teachers how they feel!) We have just received word from the Board of Regents that Marcia and Clare have won Regents Scholarships, and that Pam, Jane, and Sean have been named as alternates. All through high school our extra-curricular activities have centered around music and sports. Our class took part in chorus musicals (MR. CRANE, SERENADE TO SPRING, ROARING 20's REVUE), and we have made up practically half of the Senior Band (went to competition and put on several concerts a year). The guys have added a lot to all sports teams, and some of the girls have even rated in sports (cheerleading, volleyball, softball, and bowling teams).

Right now, we anxiously await our coming college or working lives, yet we hate to leave all our friends (both student and teacher-type) and our fine memories of the Butternut Valley.

Thirty-seven ungainly, diverse and noisy but beautiful seniors burst into my quiet, respectable business room last September and the place hasn't been the same since.

Remember ... our hot dog roasts? That night we fried hot dogs on the Cafeteria stove? What a sure way to make your mother-in-law love you! The class meetings when we actually knew what was happening? The witty sayings written on the blackboard? My too frequent lectures? Ray's Valentines?

All of these pleasant memories are ours to treasure always and your absence will be felt greatly by all of us here at M.C.S. You have been a tremendous group of students. Never have we had such a quantity of quality seniors.

Thank you for just being you!

Basketball 1968-69

The 1968-1969 Morris Mustangs ended their regular season with 11 wins and 6 losses. It was a season that found league competition very keen, with Morris ending up in third place behind Draper and Worcester. The Mustangs were a very young team, with two sophomores and one freshman as starters. Each win the Mustangs gained was a real team effort with everyone giving 100%. Coach Smith enjoyed working with the boys very much and wishes to congratulate them on their spirit and hustle.

Let's get this straight.

The effort and work displayed by the members of the J.V. Mustangs this year does not show in our record which found our team on the losing end of the score most of the time. The boys all worked diligently, and with several freshmen to return next year we look forward to a better season.

THE 1968 RAY CLEMENT CHRISTMAS BASKETBALL TOURNAMENT

The Ray Clement Christmas Tournament has been an annual basketball event for the last five years. The tournament is named in honor of Ray Clement, who has dedicated most of his life to sports programs in Morris and surrounding areas.

This year there were eight varsity and six J.V. teams entered, making this the biggest Christmas Basketball Tournament in the area.

For the first time since the tournament was started, the Morris Mustangs were the victors. The Mustangs beat Harpursville in the first round, beat Franklin in the semi-final round, and went on to win the Championship by defeating Davenport. This was a fine team effort as everyone did the job that was expected of him. At one time in the final game the Mustangs were down by fifteen points. Through a great display of courage and team play they overcame the fifteen points and went on to win the game by nine points. A very nice team trophy was presented to the captains at the end of the contest.

The M.V.P. trophy was also won by a Mustang player, Pat Alger, who showed lots of poise and ability for being only a Sophomore.

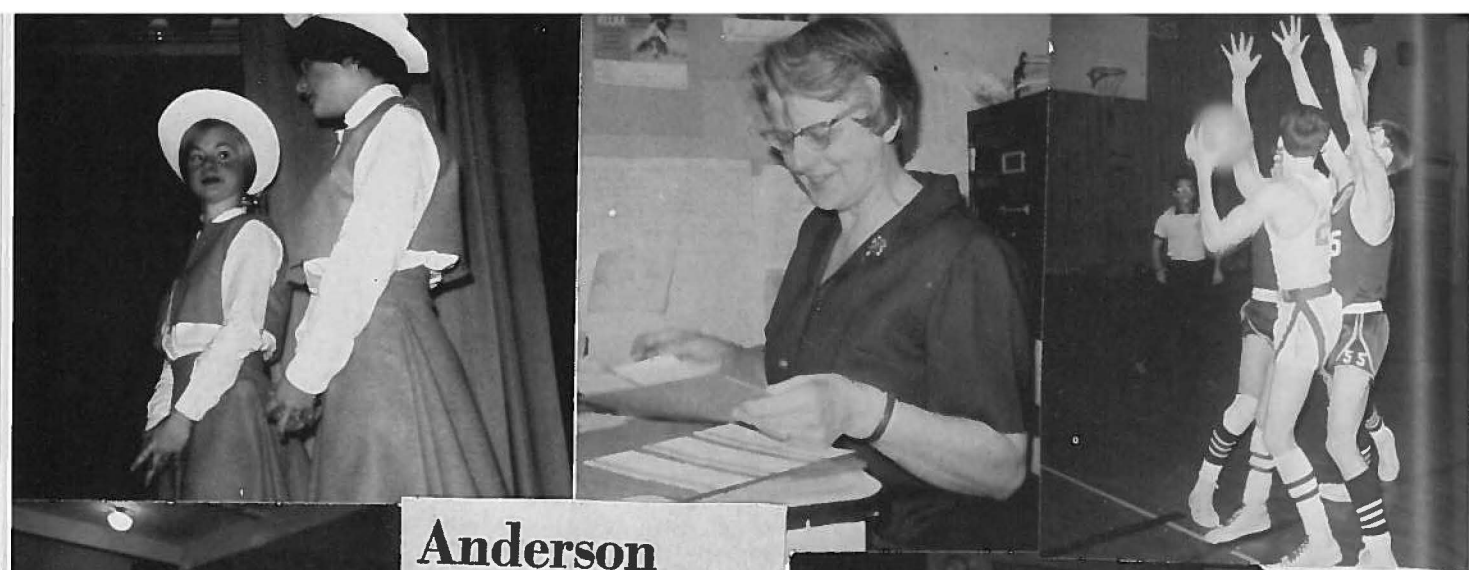

Presenting Trophy

Sean Dugan, Mr. Ryther, Mr. Clement, Coach Smith.

Co-Captains - Pat Collier, Sean Dugan, Gary Jacobsen.

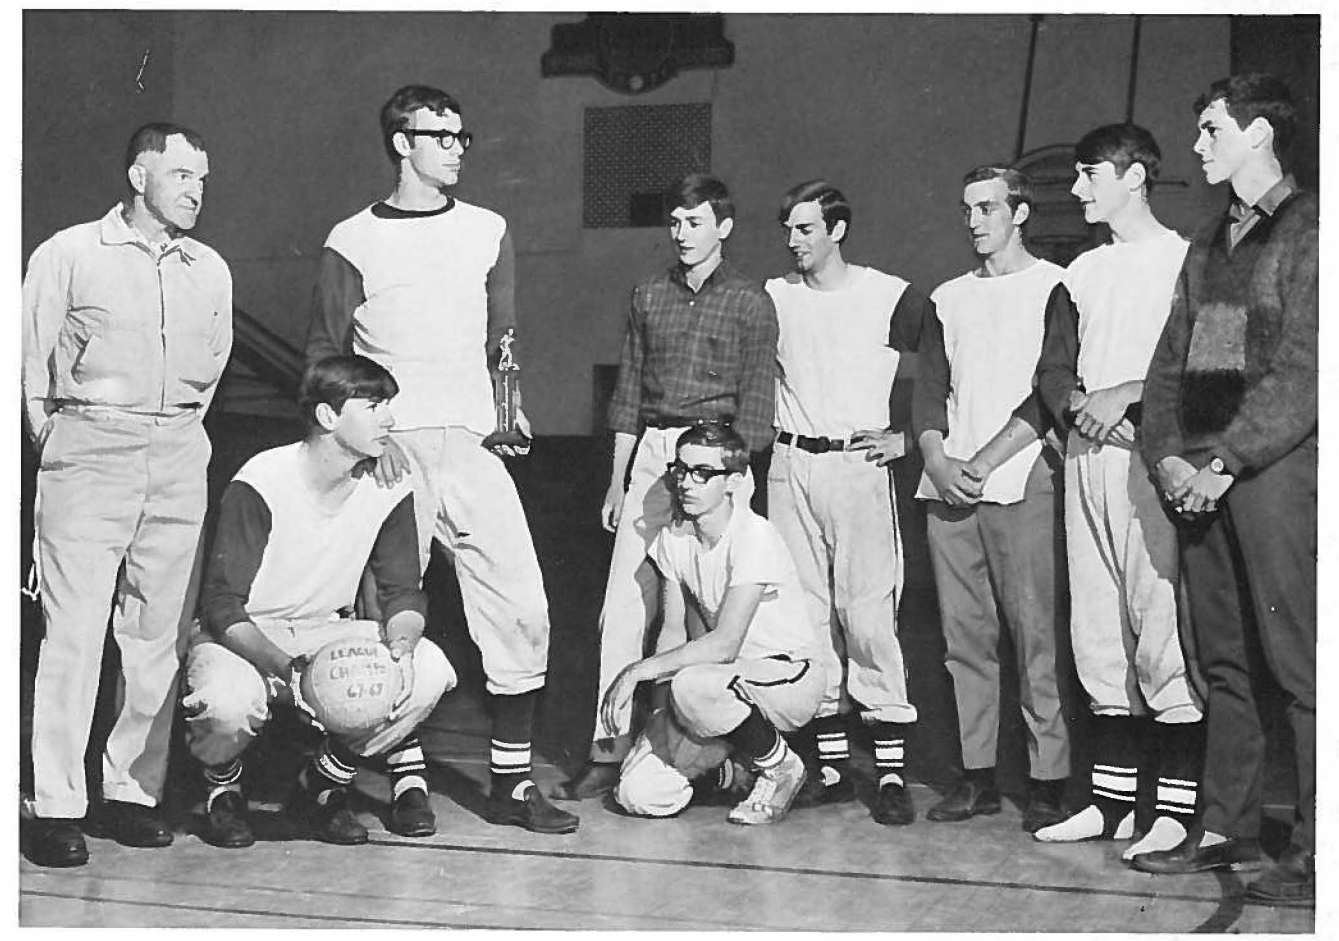

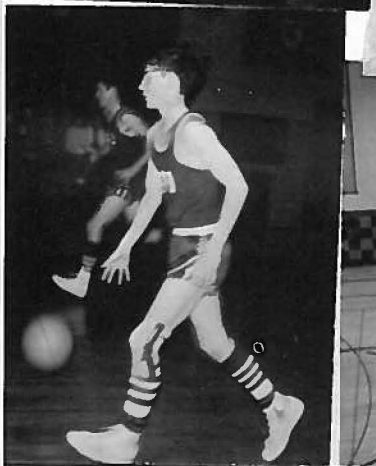

Anderson leads Morris to victory

MORRIS — Dave Anderson, 5-10 Mustang guard, hitting from the side, underneath, on offensive rebounds and 10 from the foul line, contributed 30 points as Morris rolled to an easy 72-49 win over Harpursville in a non-league go Saturday night at Morris.

Anderson was seconded by a strong performance from Pat Alger as the 5:11 Mustang hit for six baskets and converted a foul attempt for 13 points while Jack Brun Schmid contributed 12 points to the cause.

Gary Hurlburt was high point man for Harpursville, hitting 5 from the court and seven from the foul line for a team-leading 17 points while brother Bob Hurlburt was 5 and 2 from the floor and foul line for 12 points.
