Changing Odds

The year of 1985-86 at MCS was a year to remember. New rooms, new personnel, and a new curriculum were all a part of the scenery when we returned to school this fall. Aside from three new teachers, we have a new principal. We are all enjoying Mr. Hess.

The addition of another elementary class has resulted in one new teacher, Mrs. Cotter. Ms. Gerchman has taken the place of Mrs. Rogers who was on sabbatical for half a year in order to prepare her humanities course for twelfth grade regents English. Mr. Jacobsen is our new PE teacher, and Mrs. Currie is the new migrant tutor. Mrs. Lussier, the new elementary art teacher from BOCES, is another addition to our staff.

There has been a lot of rearranging in the classrooms this year. The balcony of the auditorium has been transformed into Mr. Stafford's room. Mr. Stafford's old room is now the new fifth grade room. The former TAG room is now the computer lab.

Our theme "Changing Odds" has shown all the changes in our school this year. As we finish up another year and look forward to the next, we hope that it will be as exciting as this one was. The odds were definitely in our favor this year.

Mark enjoys Northern Hospitality.

Who's the boss around here?

Nella, smiling and shaking her head.

Hey, You're new in town!

Do you want a pass or not?

Mrs. Cotter doing buddy-time in the kindergarten room.

Mr. Stafford's new room

Everything's here, but where's the new principal?

Ahead by a Length

This year, MCS started out ahead by a length. The new curriculum, the terrific sports teams and the great people at MCS have contributed to keeping our school ahead of the rest. Together, they all helped to make our school the best that it has ever been.

There are a lot of new requirements under the Regents Action Plan. The class of 1986 is required now to take three years of social studies and one year of math and science. For a local diploma, eighteen credits are required; for a regents diploma, twenty. By 1989, students are required to take four years of social studies, two years of a math and science, and one year of art or music.

Our athletics department is also ahead by a length. Fall sports season ended with the football team and the girls' soccer team making it to the championships. Basketball season was successful.

Of all the things that have contributed to making our school ahead by a length, it's the Mustang spirit that our school has. All of our students have done all they could to keep our school ahead of the rest. We should be proud of our school and of all the hard work that keeps this school going.

Our Moms are Ahead by a Long Shot!

Future Football Players

Buddies and Pals at Work!

Studying hard to get ahead.

Our crowd is ahead on Spirit.

First grade—the start of the race.

Memorial to Paul Chase

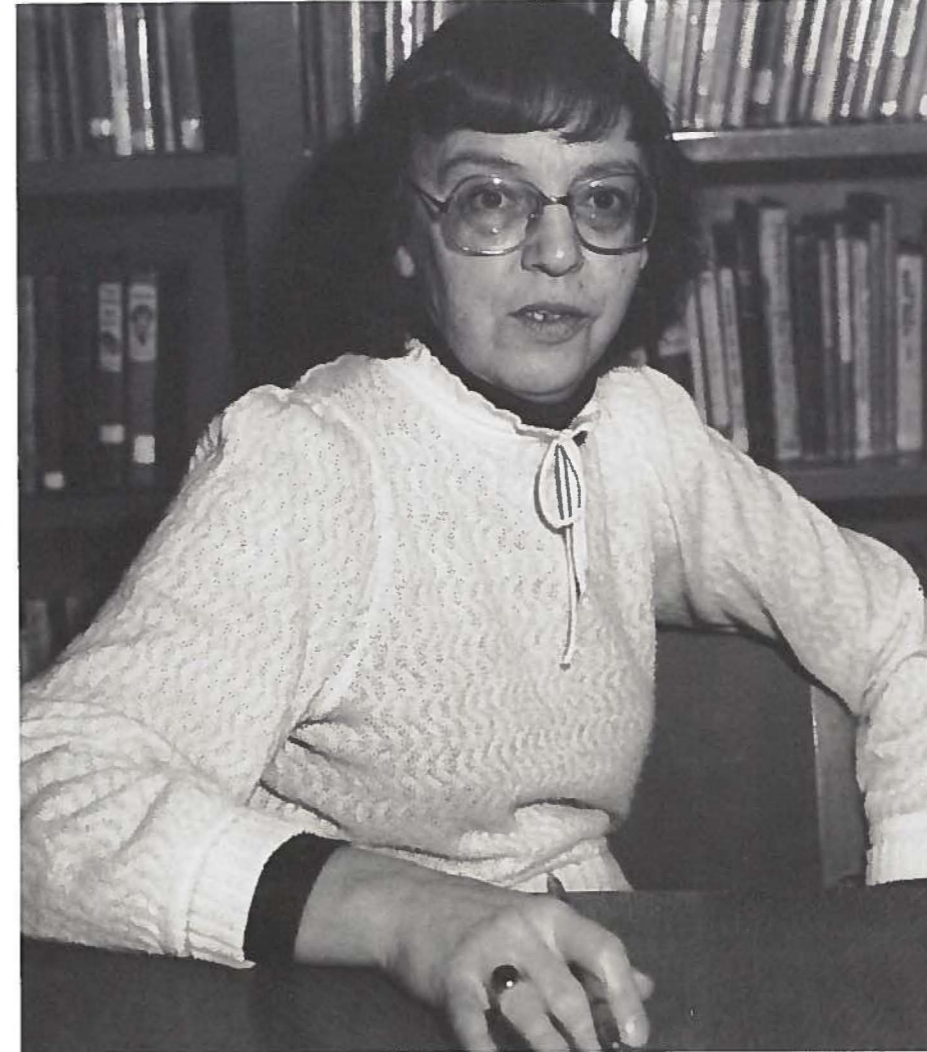

The yearbook staff and the Class of 1986 proudly presents the 1986 *Morrisianian* in memory of Paul Chase.

Mr. Chase was always very fond of the students at Morris Central. His years of dedication led him to football games, soccer games, basketball games, and much, much more. Whenever Mr. Chase was seen in town, you were always sure to get a smile and a wave.

For those of us who knew Mr. Chase through the years, we will miss his enthusiasm at all the school events. He was a wonderful father to his three children, each of whom graduated from Morris. He was a warm, caring husband.

We the student body at MCS will truly miss the warm and friendly face in the crowds and audiences here at the home of the Mustangs for years to come.

Dedication to Mrs. Foote

Punch this key here.

Whistlin' Dixie

This year we dedicate the 1986 *Morrisianian* to Mrs. Foote, the librarian at our school. Mrs. Foote has gone out of her way for twelve years to help the students of Morris with their projects and term papers. She's dug through the magazine stacks for all of us. She also patiently read stories to the elementary students during their library time. When the library gets a bit noisy, she makes sure it's quiet so that the students who are there to study can do so.

We thank her for being there when we needed her the most and for helping us to find out what we needed to know. We wish her the best of luck as she finishes her years at Morris and in the future.

ADMINISTRATION, GUIDANCE, & TREASURER

The administration at MCS has acquired a new face—Mr. Hess. He has been greeted warmly by both the faculty and the students. Along with Mr. Barden and the board of education, the administration at this school works hard to provide a good learning environment.

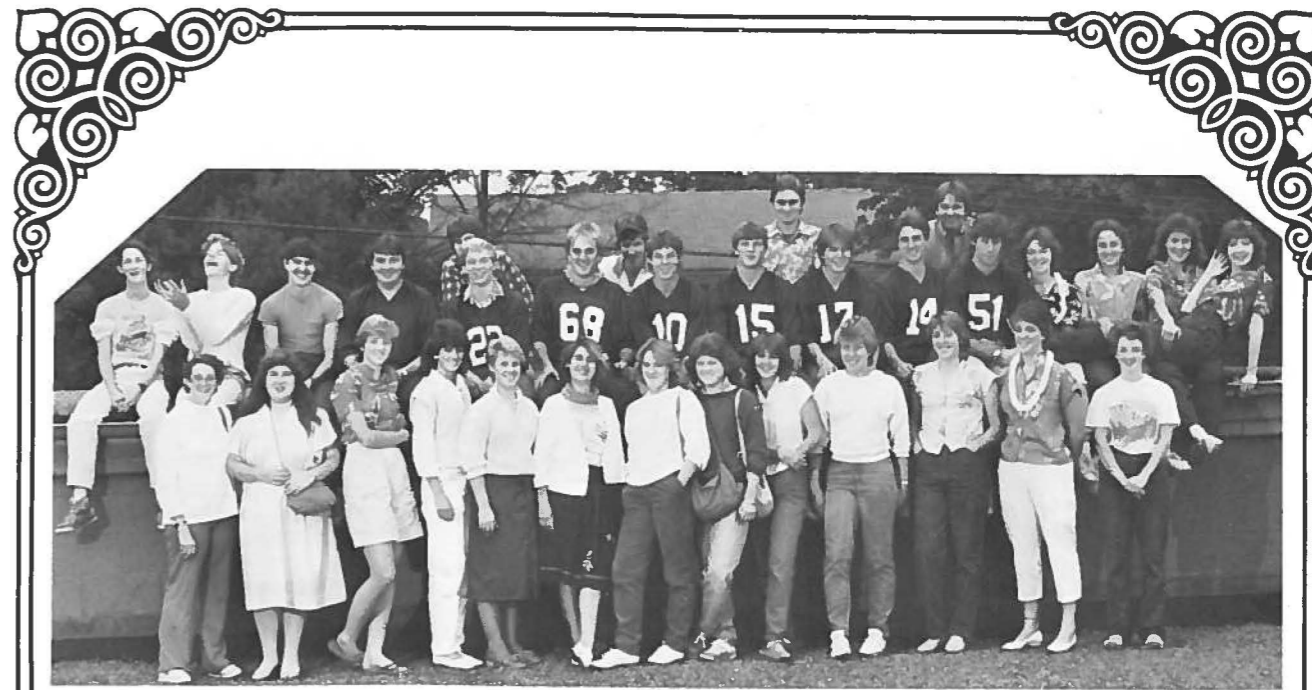

Mr. Rosas is the school treasurer, and he handles the school finances. The business affairs required in running a school are many, and Mr. Rosas continues to do the best he can.

Mrs. Merry, the school guidance counselor, helps the students everyday. Scheduling is always a big job, but she also maintains a complete library of career and college information so that students may begin preparing for the job world ahead.

Hey, look who's here!

Hey, James! How about some help?

What are you gonna' do about it!

You think you're smart, don't ya?

She stole my topic!

Who's talking behind my back?

I just ate a WHAT?

Watch out, World. Here comes boxer shorts Jim.

Come on, America! Go Hawaiian!

Not now, I'm eating!

A Message From France

I learned so much during this wonderful year in Morris. I want to thank everybody, above all the teachers who were patient with me and my friends who taught me all the slang words. I enjoyed my stay with you and hope to come back. I will never forget you and the famous sentence: "Come on, Zeke, we've got shooting to do!" I wish Good Luck to everybody.

Kiki

Kiki salutes America

A Message From Sweden

Hejsan! My name is Nella, and I come from Nynäshamn, Sweden. Nynäshamn is a city very close to the Baltic Sea. I like to sail and ski. I like Morris, and I've met a lot of new friends. I'm on the cheerleading squad which is a new experience for me. I'm a junior in Morris Central School and that's fun. "Jag kommer att sakna er."

Nella pose for her picture.

JUNIORS

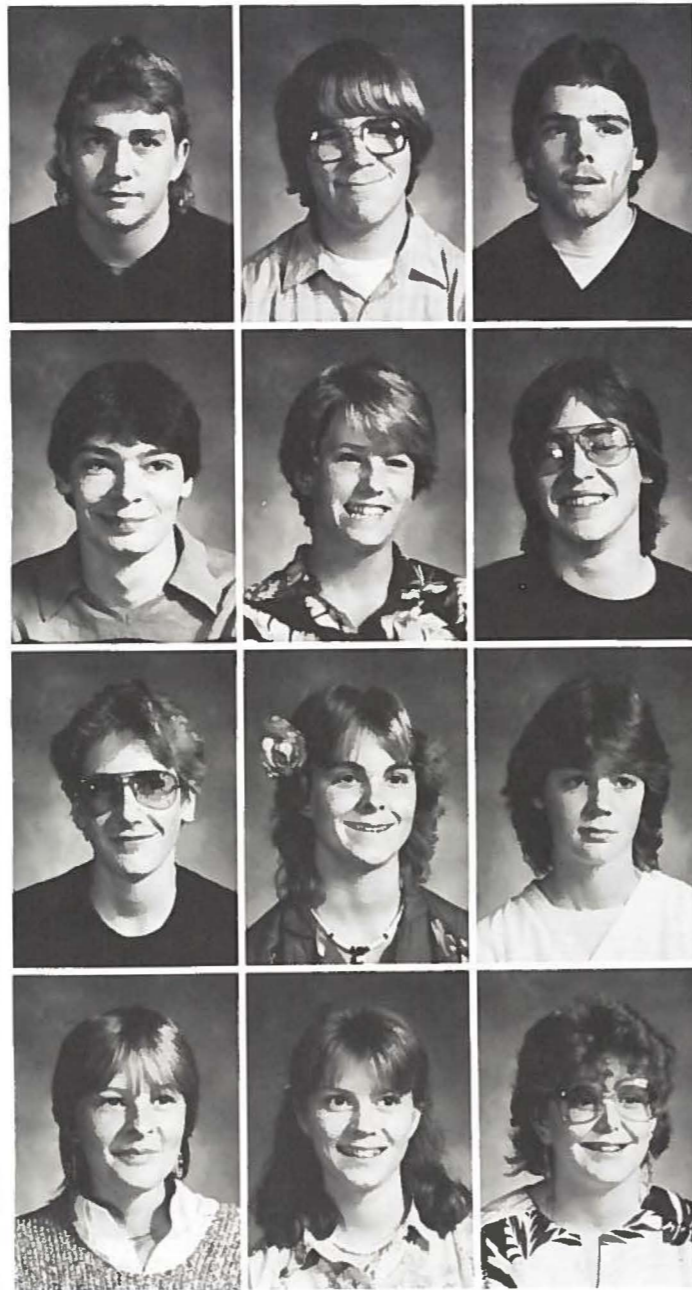

Juniors Approaching the Finish!

The juniors are keeping actively busy this year. We have five possible REGENTS; we are involved in extracurricular activities; and we're looking forward to the finish line. On September 19th we received our long-awaited class rings. October 21 at the Hunt Union at Oneonta State College was college night. A lot of college representatives for NY colleges as well as neighboring state colleges were present. They answered questions we had and gave us handy information to start us on our college planning.

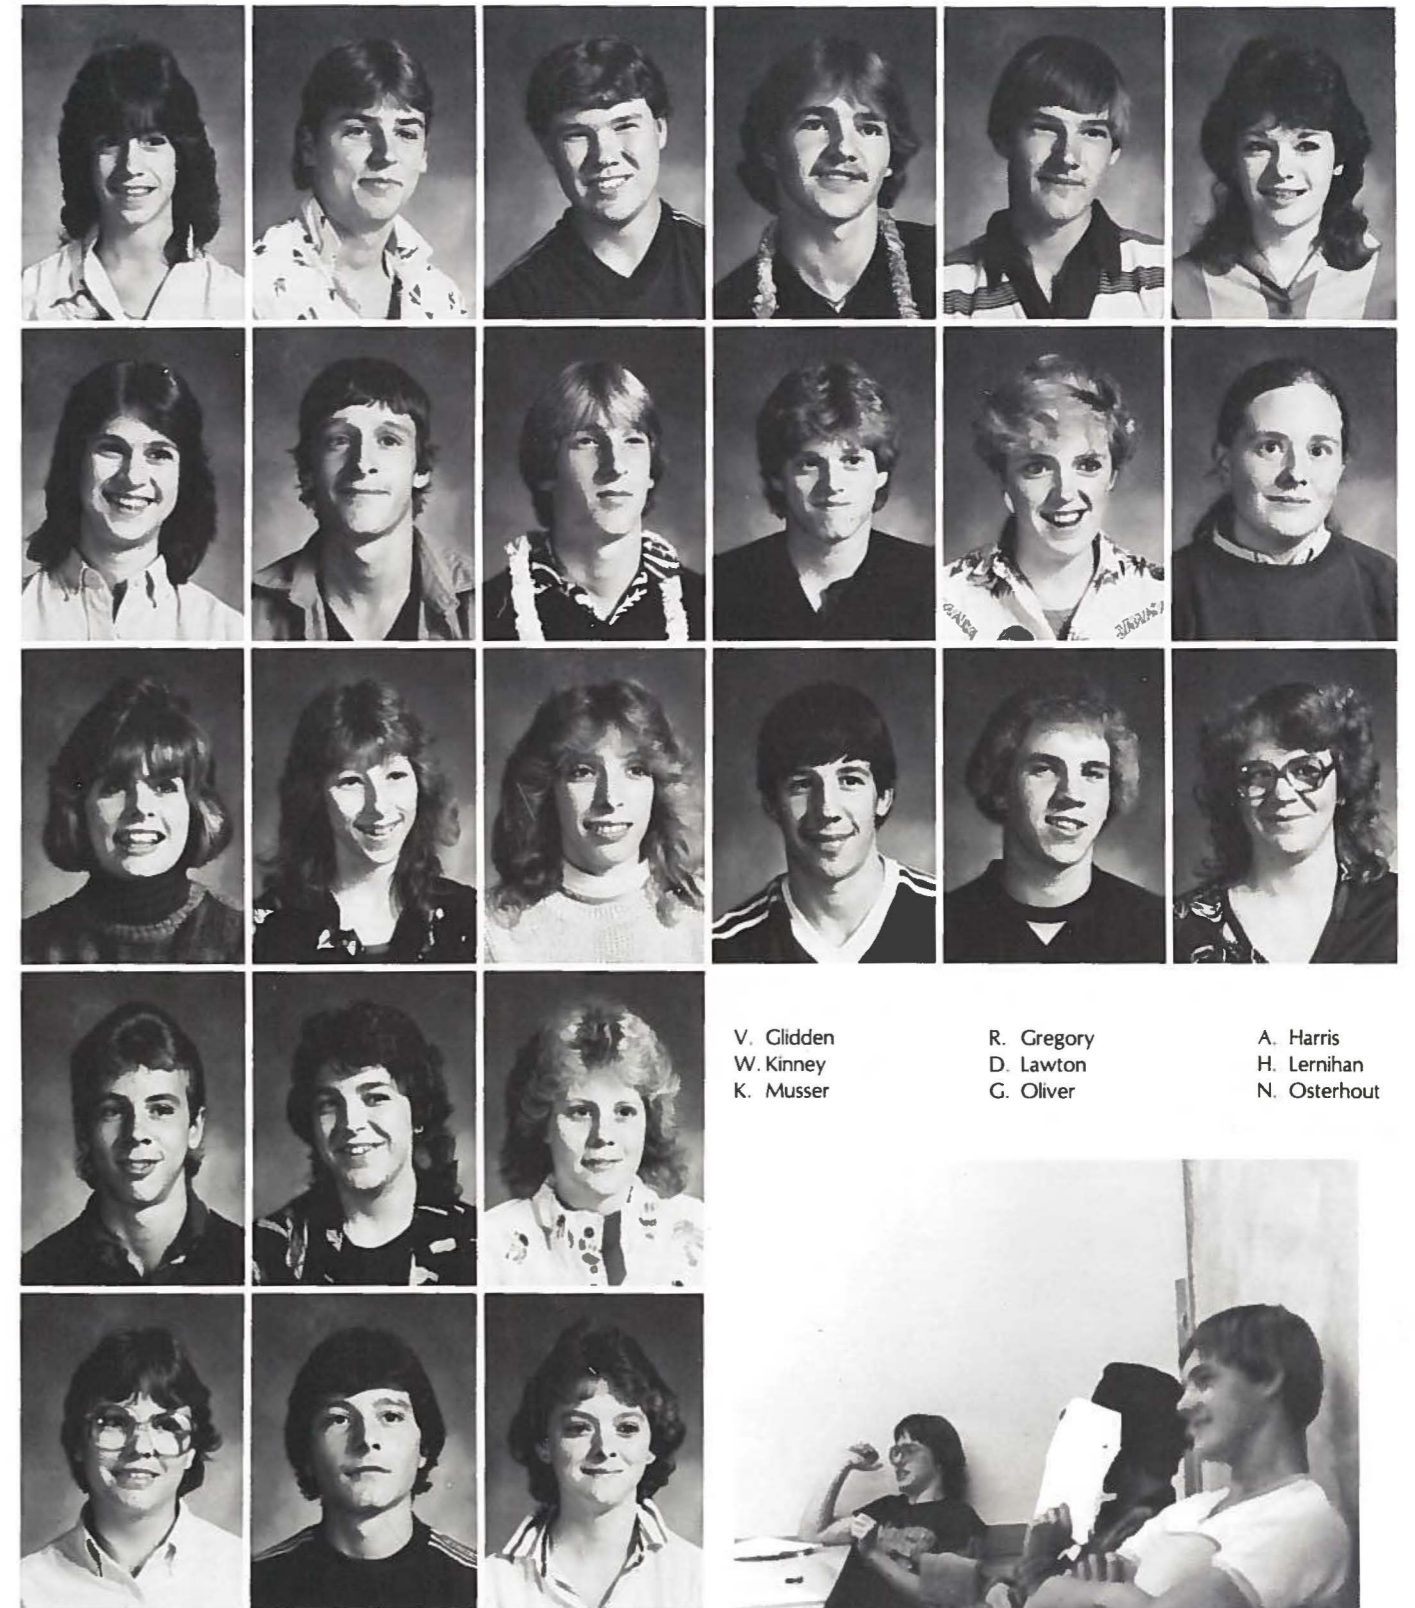

Officers this year are:

President: Joe Gaiser
 Vice-President: Rob Joy
 Secretary: Tracy Fortune
 Treasurer: Deanna Lawton
 Student Council Reps: Bruce Brown and Tracy Cahill

SOPHOMORES

Down the Home-Stretch

The sophomores are getting closer to finishing the race—high school. It's their second year in the big time, and they're busier than ever.

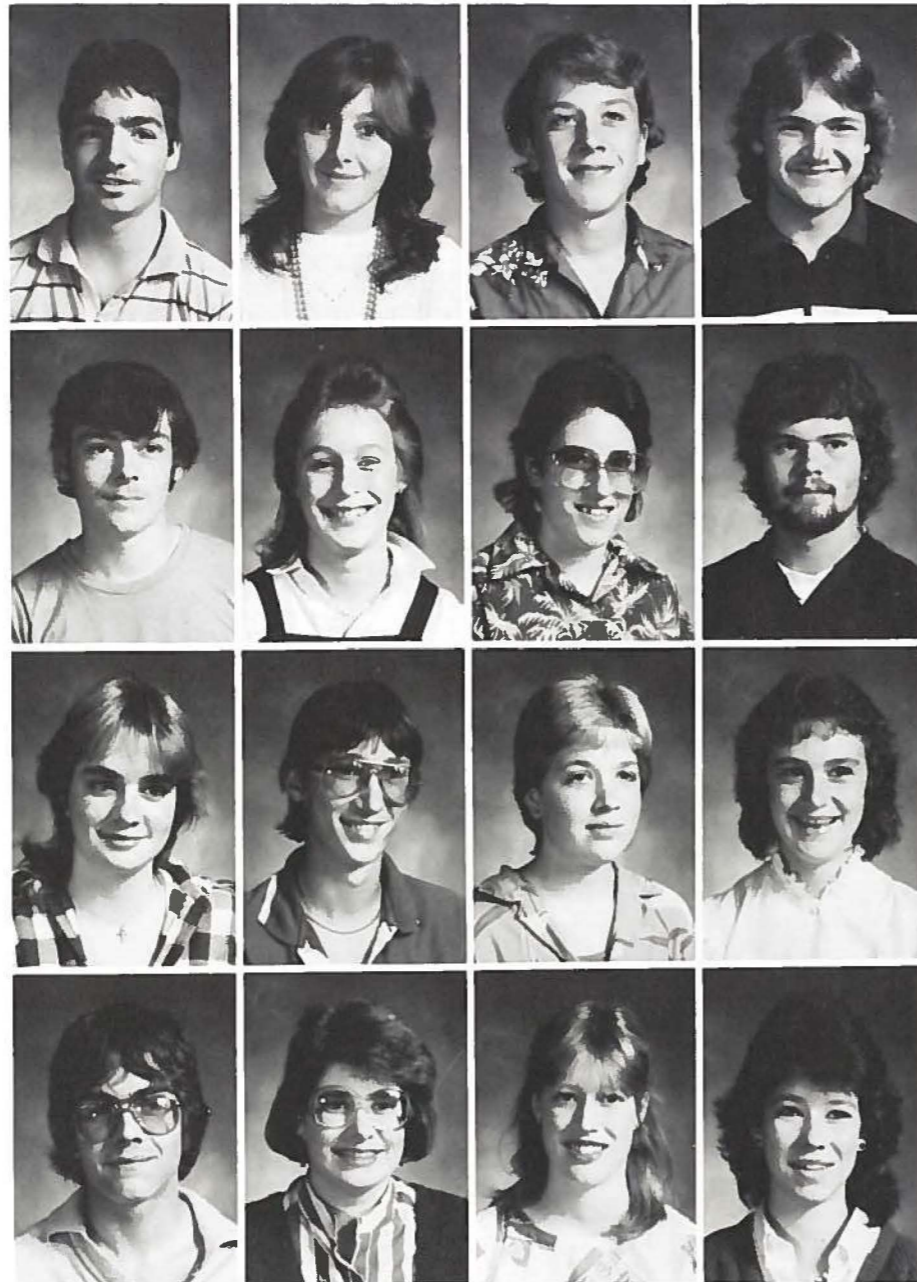

They are planning to do a couple of moneymaking projects this year. Their class advisor is Mrs. Robbins, and with her help they sold glass prisms in December and planned other projects for March.

The sophomores are off to a good year. Their class officers are as follows:

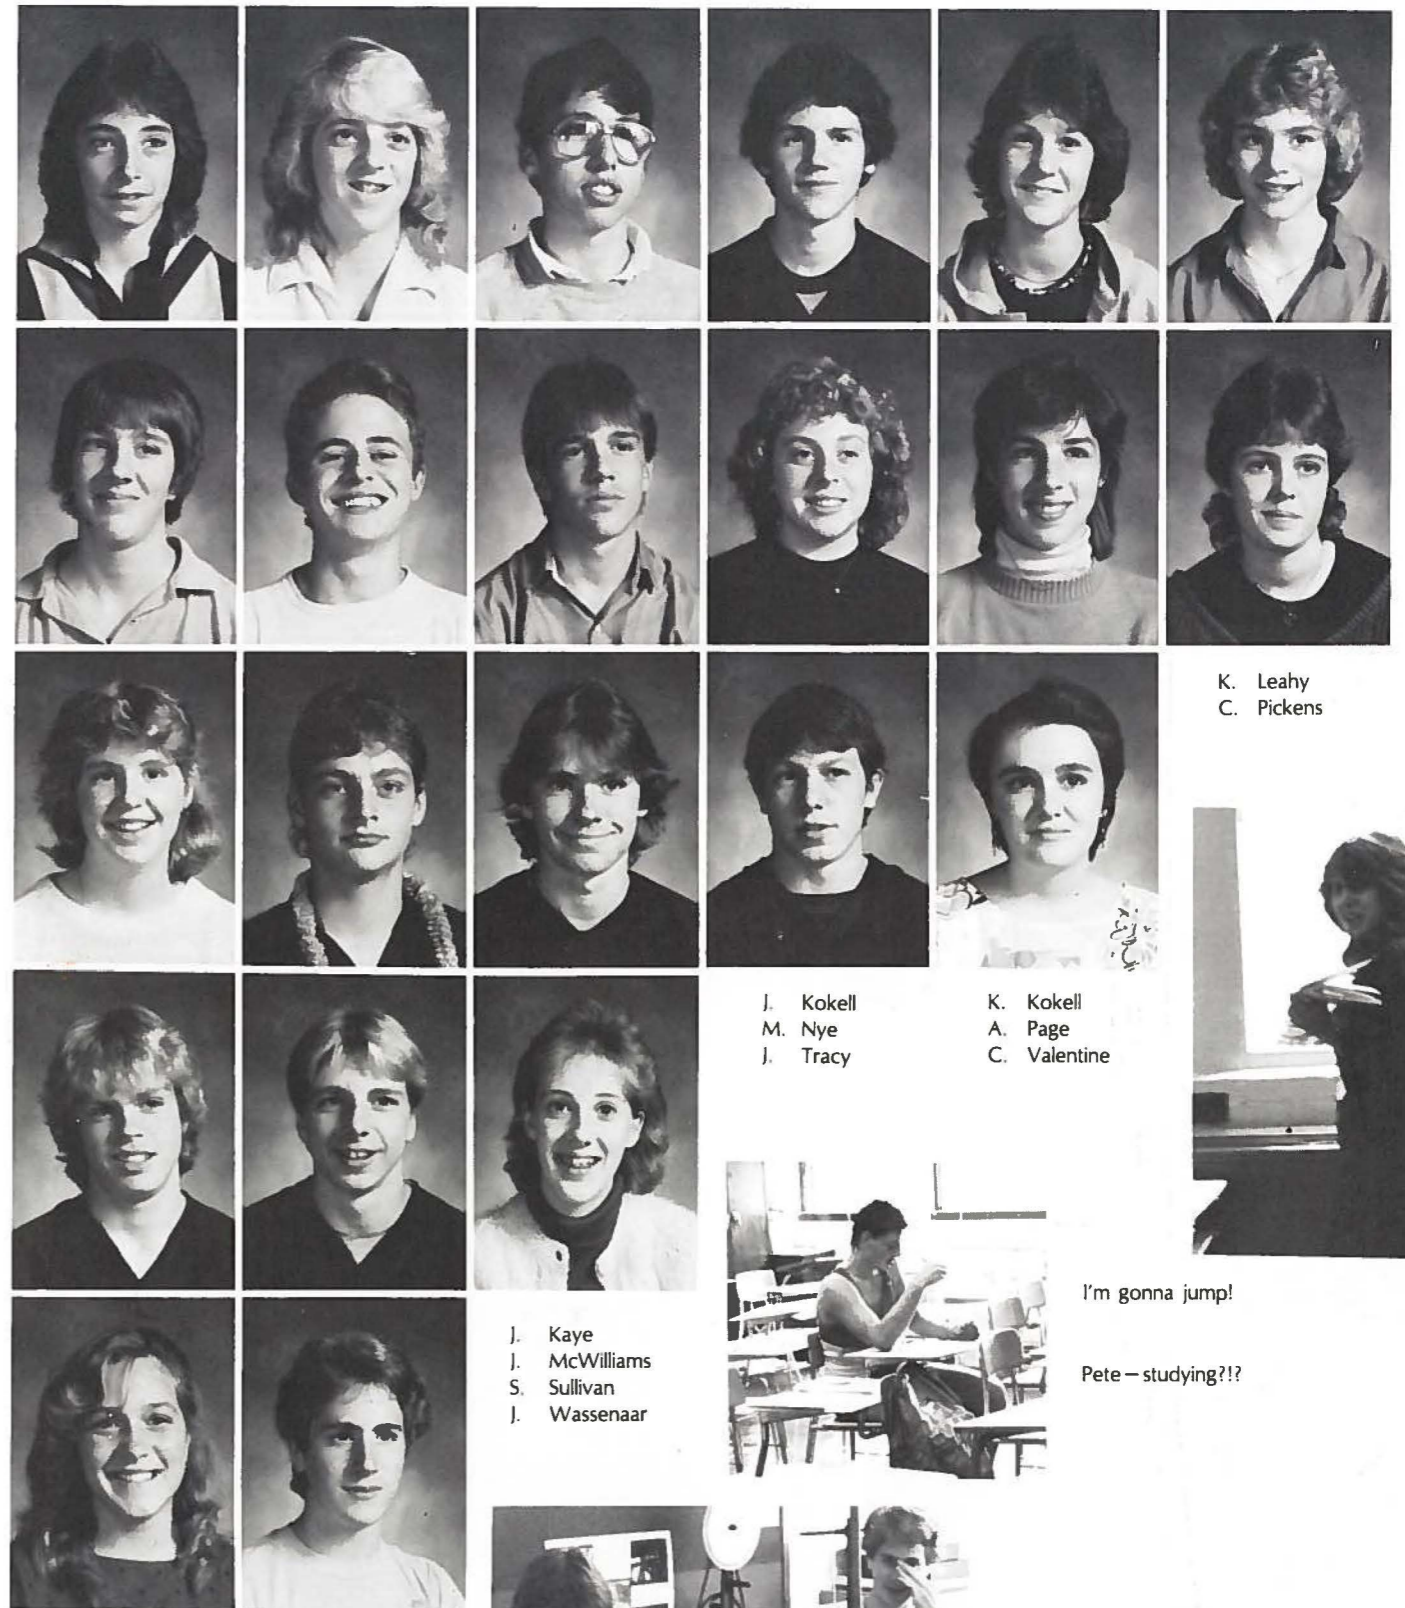

- Pres. Karl VanZandt
- VP Sean Sullivan
- Sec. Chris Pickens
- Treas. Drew Witt
- SC Reps. Pete Stafford
- Jean Wassenaar

SIXTH GRADE

Here we are, the oldest of the elementary classes. This is a major step in graduating to the high school level! During Homecoming, Mrs. Phelps' class worked very hard on decorating their door. As a result, they enjoyed two Nina's pizzas and soda for coming in first place. For Mrs. Perkins and all sixth graders, the big event is the trip to Washington in May. As the year draws to a close, the sixth grade class would like to thank all of their past elementary teachers for preparing them so well for the biggest, best high school years to come.

Fifth grade is one of those years in which students work on math and reading that they've learned in the past but expand on each a great deal also! For social studies this year they enjoyed studying the newspaper, visiting the **Daily Star**, and learning how to read the compass. In science they have joined the stars! Well, actually students have just been studying the star constellations and patterns. As the fifth grade year winds down, fifth graders realize that this year they've learned many new and exciting things that will help them in the future!

The fourth graders are going through a big adjustment. They're being given assignments which will be completed and handed in on time. This year the children will be doing a lot of writing in the language arts class. In social studies, the fourth graders will be working on map skills and also study about the Iroquois Indians who lived in New York State many years ago. Science class is a busy time in fourth grade. Mrs. Moskos' class has successfully hatched and released eight monarch butterflies. The children have also been studying the earth and its layers, volcanoes, and earthquakes. They will be observing honey bees the whole year in the observation hive within the classroom. Apple day proved a big success. The kids prepared apple cake, made apple recipe books, and read about Johnny Appleseed. This is going to be a busy and interesting year.

A New Style

The third graders at MCS are entering a whole new world of writing. They're all discovering how exciting it is to write in cursive. Since this style of writing is so different from printing, it takes a lot of practice. There are many loops and swoops to master. These third graders do a great deal of "creative writing" in order to practice. Later in the year, Mrs. Haight and Mrs. Zeiner will also introduce multiplication and division tables. All in all, the third graders will be busy encountering a new style.

In the second grade, it's a year of perfecting skills learned the previous year. These skills include: being able to read, add and subtract. As well as perfecting skills, second grade also involves new insights. Visiting the village library and getting a membership card for each person in the class is only one of the many new experiences shared. Some of the other experiences are having special citizens of the community come in and share about their work, making and sharing books, and learning to tell time. The 1986 second grade would like to thank their teachers, Mrs. Boyd and Mrs. Layman, for teaching and sharing with them all these new experiences.

FRIDAYS ARE SPECIAL IN FIRST GRADE

Fridays are very special days for the first graders at Morris Central. The day is filled learning about science and social studies. Mrs. Holcombe calls this their Mini-Unit Day. The mini-unit consists of a theme for each day. Some of the themes include: indian life, butter-making, and bread baking. The first graders also sing, write, and take field trips to learn more about the theme they're studying. The children enjoyed dressing like indians, taking a field trip to the Farmers' Museum, and learning many new songs. The mini-unit is a fun and exciting day of special events.

Jeremiah — just hanging around.

This is the year to begin learning new and exciting ideas to use throughout the rest of one's life. Children learn colors and shapes to begin the year off. They each made a color and shape book for taking home. In September, they also had a monarch caterpillar in their rooms that hatched into a beautiful butterfly. Just before Thanksgiving students made cranberry bread and came to school one day all dressed up as indians and pilgrims. Throughout the year Mrs. Miller's class had buddy time with Mrs. Cotter's fifth grade. They helped each other make books about themselves. All in all the first year of school at MCS is the best it can ever be.

HOMECOMING

The 1985 Homecoming was a great success. There were many events taking place throughout the week. Tuesday was rainbow day. Then came pajama day and number day.

Friday was a day with many events. It was 50's day, and many people were arrested because it was also jail-bail day. At noon, the cheerleaders put on the homecoming luncheon. There was lots of food to eat and cake besides. At 2:00, the defendants were all convicted in the gym at a pep rally. The day ended with another pep rally and a bonfire. At the rally, the mothers did a wonderful job cheering for their sons.

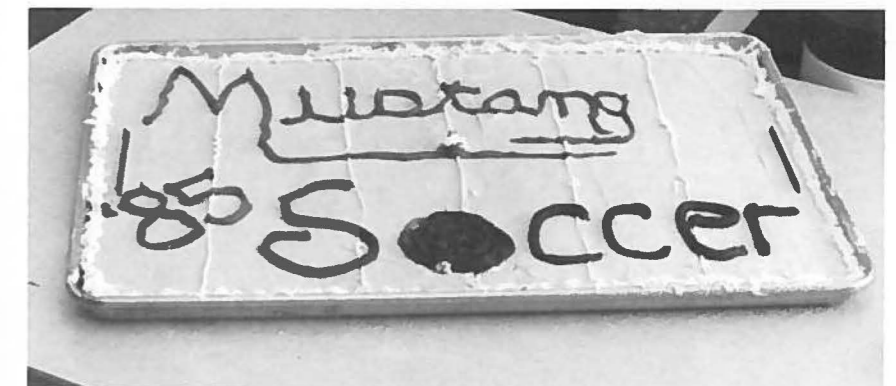

Saturday morning featured the Tri-Valley girls' soccer championship game. The Mustangs played well, but they lost a heartbreaker in double overtime, 1-0. As the day progressed, the Morris machine churned. The Mustangs spotted Laurens 12 points in the first five minutes, then handed them a 28 to 12 loss.

Saturday after the game the Mustangs celebrated by riding through town in the parade. At the homecoming dinner, everyone refueled for the dance which ended the 1985 homecoming festivities.

The 1985 football season was the most successful season since 1978. This year, under the direction of new head coach Gary Jacobsen and assistant coach Tom DeLaurentiis, the Mustangs traveled to the Tri-Valley championship game.

The Mustangs had as awesome ground and air attack, explosive from anywhere on the field. Running behind a small but nasty offensive line, Brian Anderson led the way with 335 yards and 4 touchdowns. James Gregory proved that good things come in small packages by following Anderson with

233 yards. Dicky Ballard, who saw full-time action after the injury of Louie Colburn, finished up the season with 98 yards and two touchdowns.

The Mustang air attack was powered by the strong arm of Neal Bryden, zipping the ball to Rob Joy eleven times for an average of eleven yards. Three of these catches were for touchdowns. On the other side of the offensive line was Jeff Leahy. Leahy also caught three touchdown passes this year. Brian Anderson, the Mustang all-purpose back, caught eight passes this year

for an average of eleven yards.

Tom Meyers, Vern Glidden, Jim Foote, and Brian Brigham did an excellent job blowing big holes in the defense to allow the backs to run the ball. They only allowed nine sacks for a loss of 64 yards.

Leading the powerful Mustang defense were tackles Ballard and Gregory, with 42 and 35 tackles respectively. Feating up the QB all season were Joy and Meyers with 6 and 4 sacks each. Anderson led the team with assists, having 28 on the year.

³ The Morris football cheerleaders did a great job this year. They made some terrific posters and worked very hard to make the school look good. Under the direction of Mrs. Mona Waffle, they were prepared for leading the school in spirit even before the school year began. The homecoming weekend was a fun event with a great dance featuring Hot Wax, a dinner in the cafeteria, and various dress-up days.

This year the Morris Mustangs sent seven boys to play soccer for G'ville. Our boys' talents helped G'ville to a 14-5 season, and an 11-3 league record. The guys were seeded sixth in the class D sectionals. Three of our guys started regularly for the Bulldogs. Pablo lead the way with six goals and six assists; this feat put him on the second team of the all-stars. James also had three goals and one assist. Chris helped out with his assists. Mark did an excellent job coming off the bench for four goals and two assists.

Coach Martin and the Mustangs soccer team loaded their rifles and started into the '85 season with a big bang. They captured first place in the Norwich tourney and won their first 11 out of 12 games.

The Mustangs have many different weapons. They have the scoring power of Erin Brodrick who led the team with 13 goals and 2 assists. This earned her a spot on the Tri-Valley All-Stars first team. Next in the line of firing power was Daphne Joy with 7 goals and 2 assists and Kathy Stachina with 6 goals and 3 assists. Daphne's talents were good enough to make a place for herself on the first team of all-stars. Pitching in the points were Kelly Sullivan and Kris Kokell with 2 goals each. Rounding off the scoring was Brenda Anderson and April Carroll with a goal apiece.

Michelle Frederick, Deanna Lawton, Brenda Anerson, Julia Page, and Stacy Gould powered the Morris defense. Michelle, the Second Team All-Star goalie, had 127 saves on the season. Stacy, Brenda, and Deanna also had All-Star honors for their defensive performance this year. Stacy made the First team All Stars; Brenda and Deanna made Second Team.

The girls' soccer team took a 12-2 record into the Tri-Valley championship game against Worcester. They lost a heartbreaker in double overtime 1-0, pushing themselves into sectionals with a 12-3 record. This gave them the fifth seed in the sectionals, forcing them to play Worcester once again. The rematch was set, but the Mustangs again fell short.

This ended a fantastic season for the Mustangs with a 12-4 record.

The Morris JV basketball team is on their way to a great season. They have done some great things this year. The team took 2nd place in the Tip-off Tourney in Unatego.

The team is led by Billy Fisher, a 6'5" sophomore. Bill leads the team in rebounds and scoring. John Ballard and Pete Stafford are a tough-tuosome at the forward spot. John Kokell and Karl VanZandt do most of the ball handling for the Mustangs. Ben Layton, James McWilliams, and Mike Fortune give the Mustangs a talented bench.

The Morris JV team is now at this time 34-0 in the Tri-Valley, under the coaching of Steve Leahy. They have done a great job and have been consistent at winning. They are looking for their third straight year at the Tri-Valley championship game.

MUSTANGS SADDLE UP FOR VICTORY

Bottom: C. Gould, R. Veres. **Standing:** J. Foote, N. Bryden, R. Ballard, J. Leahy, R. Joy, W. Kinney, B. Anderson, L. Colburn, Coach Jacobsen.

The Mustangs have high hopes of making a debut at the Tri-Valley Championship game. They are also looking forward to sectional play where they went to the semi-finals last season.

This season they have received first and second place honors in the Ray Clement and the Tip-off Tournaments respectively. Both championship games in each tournament were decided by one basket.

The Mustangs are awesome on their home court, and they average more than 80 points per game. The fans and community of Morris can be proud of this team.

Break that tie, boys!

Rob Job up and over!

Willis calls the play.

Rob pushes off!

The referee blows another call.

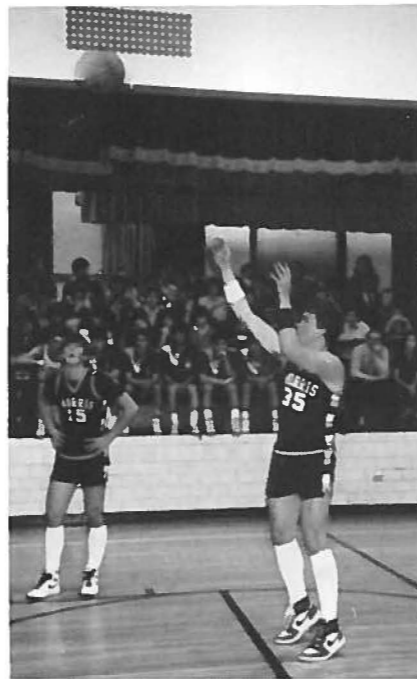

Footie stalks his prey.

Barkley works up a sweat.

Rob gets up for the rebound.

The varsity basketball cheerleaders got off to a good start this year. Besides gaining the cheerleading abilities of our two exchange students, they also won third place at cheerleading clinic in Oriskany Falls. They all worked very hard and it showed. The cheerleaders are assisted by a pep squad this year, and those girls are also giving it their best.

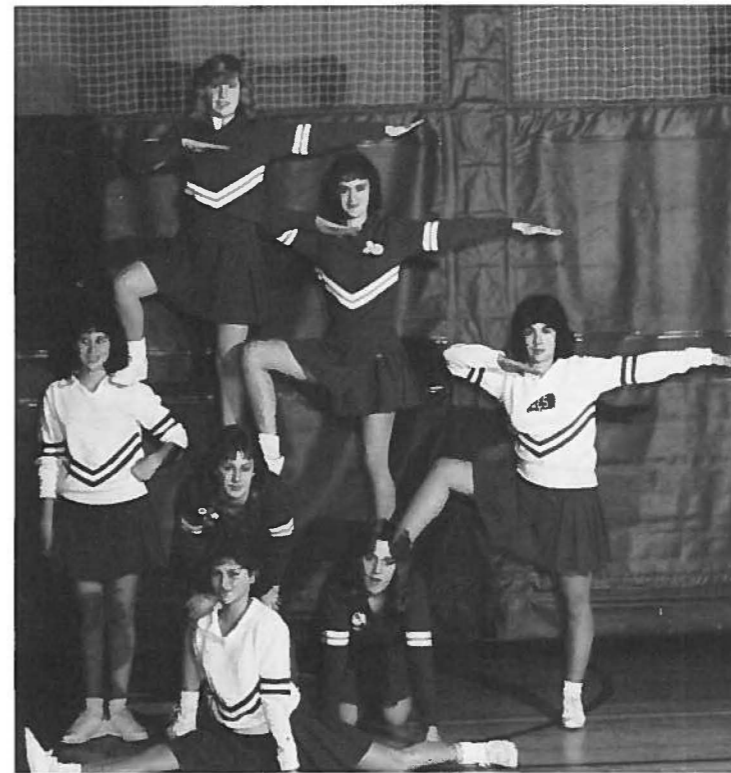

Everybody get the beat.

Mounted up for victory.

The JV basketball cheerleaders also got off to a good start this year. Besides winning fourth at cheerleading clinic, they also are doing a fine job cheering on the JV basketball team. Of course, neither of the two squads could have gotten as far as they have without Mona Waffle, their cheerleading advisor. She has put her all into making the basketball team cheerleaders of 1985-86 the best they can be.

The Morris Mustangs Girls' Basketball team is on another rampage this year for the Tri-Valley title and the section IV Class D girls' championship. Leading the fiery Mustangs are seniors Daphne Joy, Julia Page, Kathy Stachina, Brenda Anderson, and Kelly Sullivan. The girls also have an awesome second team including April Carroll, Brenda Prindle, Deanna Lawton, Nadine Joy, Kris Kokell, Dawn Page, and Kim Kristofik. Michelle Frederick was also with the Mustangs, but she left at middle of the season for a knee operation. The Mustangs are on their way to a very successful season with the coaching expertise of Mr. and Mrs. Martin.

Up, up, and away!

STUDENT COUNCIL

Morris has one of the best student councils in the area. At the leadership conferences last year, we were surprised to discover that not only does our student council meet more often than other area student councils, but it takes part in more activities. The SC plays a big part in the annual Christmas activities that Morris is famous for. It also helps out the other classes and organizations. This year, for instance, they helped the safety patrol earn money for their Washington trip by sponsoring a kick-off dance in October.

Janet dances to a student council meeting.

The student council has four officers, elected every year the second week of May. This year's officers are:

- President — Kelly Sullivan
 - VP — Warren Kinney
 - Treas. — Rob Witt
 - Sec. — Janet Wassenaar
- Mrs. Harrington is the advisor for the council.

The VP job is tough work.

Luci Lenz, Morris' chief debater, competes in speech and debate competitions throughout New York State. Luci competes in the oral interpretation class. In this class, one performs a speech or a piece of literature in front of an audience and judges. Luci has a lot of potential in this field. Good Luck, Luci.

The children select their RIF books.

"Our October distribution day was a joy! The excited and happy expressions on the children's faces are so precious," said Mrs. Tosti, RIF chairperson. This year, RIF solicited funds from local businesses. These dollars will be used to supplement the money from the government to buy books that the kids will really enjoy. Local businesses which contributed were Nina's, Morris Arco, Calico Combinations, Cardinal Eyewear Ltd., H.W. Naylor, Jacobsen Construction, Mr. Bosco

The Jazz Band is a group of sixteen students led by Mr. Spena. They play at all of our concerts and at some community activities as well. The Jazz Band competes at the annual Sherburne Pageant of Bands. Last year they took second. This year, they plan to take first.

Oh, no. We're caught. I can see that!

Kneeling: S. Littlewood, B. Brown. **Front:** M. Curtis, V. Pickens, M. Spaulding, A. Fiske, K. Leahy, B. Lull. **Row 2:** K. VanZandt, L. Tiffany, J. Wassenaar. **Row 3:** J. Gregory, S. Sullivan, J. Foote. **Top:** J. Leahy.

The Girls' Ensemble, led by Mrs. Herrick, is a wonderful addition to our music program. They sing at all of our concerts and, during the holidays, they sing occasionally at Oneonta. Singing sixteen strong, their voices fill the auditorium with music.

The All-County students are our exceptionally good musicians, both vocally and instrumentally. They all must audition in order to play or sing in one of the All-County groups. There are levels at the elementary, junior high and senior high.

NYSSMA students don't compete against each other as in All-County. They do, however, sing or play in order to receive a grade or score. Awards and the honor to participate in Area-All-State are the outcomes.

Jeff Leahy—full of hot air.

Our Morris chapter of FHA-HERO consists of nineteen junior high students. They have done several things so far this year. For Halloween, the chapter put on a haunted house which had eight different scenes. They performed a play during the Christmas week.

They did several things to achieve state recognition. One of their state programs was a student body project in which they performed a skit for the New Berlin Central School students. They plan to attend the state leadership meeting in the spring.

We are very proud of our FHA-HERO students. They are preparing themselves for the future, doing the things they will have to do the rest of their lives.

Jen and Kris in Heidelberg

Erin on the Neckar

On April 12, 1985, Mrs. Leal took a group of 34 students to Europe. They traveled to various cities in Germany, Switzerland, Austria, and France. The trip was highlighted by visits to Versailles, Paris, and Heidelberg. They enjoyed many foreign delicacies, the most memorable of which were chocolate-covered ants and escargot. After the Morris invasion, Europe will never be the same!

MARCHING BAND PLACES

FIRST AT SHERBURNE

Kelly Sullivan: "Leader of the Band."

The Morris Marching Band, under the direction of Mr. Spena, had a great year. At the 36th annual Sherburne Pageant of Bands, they took first place in Class "C" marching competition, marching 67 strong to their hit "Space 1985." Morris surprised everyone with their spectacular special effects, such as turning around and marching backwards. The concert band and jazz band also did well, each placing second in Class "C" competition.

The marching band, while competing at the Otsego County Firemen's Convention, placed second. They also marched at the Springfield Fire Convention and the Otsego County Fair.

Mr. Spena has made several changes in the marching band since he started conducting here in September, 1984, including a new "street beat" and a bigger colorguard. He still has high expectations for the band in the coming years.

Kelly Sullivan, our outstanding drum majorette, has been leading the band since June, 1983. Kelly has been doing a great job, taking the trophy for Best Drum Majorette at the 35th annual Sherburne Pageant. She will be very hard to replace when she graduates this June.

Front: D. Gaiser, W. Hirt, A. Church, R. Chambers, M. Frederick, J. Foote, B. Frederick, P. Stafford. **Row 2:** K. Kodrich, W. Moore, K. Leahy, T. Drake, K. Sullivan, Mr. Spena. **Row 3:** H. MISS MAJORETTE NY 1985

Miss Majorette New York State, Noelle Cameron, this past summer traveled to Notre Dame University in Indiana. There she placed tenth in the "World Hoop Baton Championships." She highly believes in this quote from Scott Hamilton whom she has met personally: "Nothing easy shows how good you are. Nothing good comes easy."

Noelle has competed year after year, but this is her highest honor yet. Noelle leads a very busy life because not only does she compete individually, but she also marches with the high school marching band.

Morris is proud to claim Miss Majorette, Noelle Cameron, as our Majorette.

OLYMPICS OF THE MIND

Front: Mrs. Elliott, S. Birdsall, J. Elliott, S. Shields, A. Hillis, Mr. Hillis. Back: P. Teed, J. Kays.

Olympics of the Mind is a competition of intelligence and creativity. Children in several age categories compete against each other on problems designed by a committee. The competition is nationwide, but our students from MCS compete first in the regional competition in February at SUCO. Last year our team, the present seventh grade team, won first at regionals and fourth at the state competition at SUNY, Buffalo.

Front: B. Palmer, K. Johnston, J. Matteson. Back: N. Elliott, J. Rockwell, J. Hillis, C. Shields.

This year MCS has three teams preparing for competition. The seventh grade team (top), under the coaching staff of Mrs. Elliott and Mr. Hillis, will be working on a history problem. The third/fourth grade team is involved with a mass production problem. The ninth grade team, (bottom) coached by Mrs. Harrington, is doing some art research and production.

Front: M. Curtis, K. Kristofik, A. Church. Back: J. Stiefel, A. Fiske, A. Valentine, L. Catania.

SAFETY PATROL

Front: K. Matson, M. Palmer, F. Fusco, E. Hopper, F. Hoag. **Row 2:** Mrs. Perkins, K. Baker, M. Ballard, C. Goodson, K. Martin, A. Lull. **Row 3:** J. Nye, B. Barton, D. Ryther, J. Waffle, H. Stafford, A. Kristofik. **Row 4:** M. Johnson, J. Neer, J. Morehouse, P. Maerz, R. Tilley, N. Wilson. **Row 5:** D. Kaye, J. Vough, R. House, C. Bemis, S. Vosburgh, J. Kenyon, R. Myers, D. Jackson. **Row 6:** A. Joy, M. Anderson, T. Morgan. **Back:** Mrs. Phelps, R. Hollenbeck, T. Moore.

The school safety patrol plays a very important part in school life. They make sure everyone crosses the street safely and escort the kindergarten to their busses at the end of the day. This year's safety patrol held a high school dance with the help of the student council to raise money for their Washington trip. This was the first time students in sixth grade have ever been permitted to attend or hold a high school dance. They made a large profit which will be used to help finance trips.

Go ahead, punk. Make my day!

The Varden Portrait™

It's What You Want It To Be.

The Varden Portrait is a timeless
commemorative of your graduation.
Your Varden portrait will speak with
distinction. For over 30 years, the name
Varden has meant the ultimate in
portraiture. When you graduate, don't
settle for less.
