## INGS TO THE VISITING FIRE COMPANIES

### MORRIS FIRE HOUSE

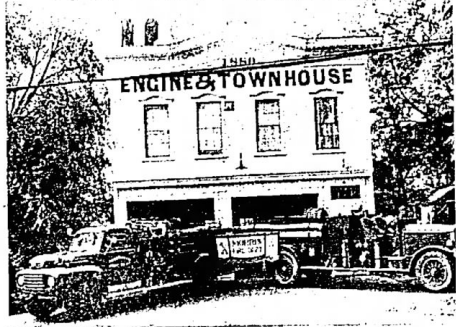

Photo By STAFFORD of Morris

The Morris, N. Y., Fire Co., was organized about 1880. It now consists of a chief, Mr. Don Gassler, two assistant chiefs, First Assistant Charles Miller and Second Assistant Anton Schell. Two capable pieces of fire fighting equipment are housed in their fire house. 36 men fill out the company roster.

The Morris Fire Co. is proud of its very fine Ladies Auxiliary which has been a big help in the past years. The Auxiliary has about 20 members and they are proud of their president, who is Mrs. Ruth Sherwood. An Auxiliary to a fire department is very essential.
