A True Saying

It is a true saying that no person is stronger than their stomach

Dr. Southworth's Blood and Kidney Remedy

strengthens the stomach—puts it in shape to make pure rich blood—cures the liver and kidneys and expels the poison from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poison in the blood. It is often indicated by pimples or boils appearing on the skin, or by becoming thin and the feelings "blue." Dr. Southworth's Blood and Kidney Remedy

CURES
all blood humors as well as being a tonic that makes one vigorous, strong and well.

PATIENCE and HOPE

It is not reasonable to assume that any chronic ailment—even though attended by no dangerous symptoms—can be cured at once. And any preparation said to do this may well be distrusted. But that the experience of intelligent people all over the land for over 30 years, that a persevering use of

DR. KENNEDY'S FAVORITE REMEDY

according to directions, will soon relieve and ultimately cure cases of Fever and Ague, Biliousness, Rheumatism, Debility of the Stomach, Bowels, Kidneys and Bladder, and all disorders arising from an impure state of the Blood, when no other medicine or treatment has been of any permanent benefit. Sufferers may properly be reminded that Dr. David Kennedy's Favorite Remedy is no speculative preparation, placed upon the market to fill the pockets of a proprietor. It is the first principles of medicine, but a prescription used with uniform success by Dr. Kennedy long before he ever dreamed of making it public.

Write to Dr. David Kennedy's Sons, Rondout, N. Y., for a free sample bottle and medical booklet. Each bottle 50c, in all drug stores.

OF INTEREST TO MORRIS PEOPLE.

Arthur Fay is at work in Woodard's market for the winter.
A new tin roof has been put on the Harrington house on Grove street.
R. W. Murdock and his mother of Oneonta were visitors in Morris Sunday.

Unless it is put over, a case of bob veal will be tried next week at Cooperstown.
We are sorry to know of the severe illness of W. B. Allen with pleuro-pneumonia.
Mrs. Harris of Cooperstown has been spending several days in Morris visiting friends.

The city markets are searching the country for turkeys and the price promises to be high.
Ed Thrasher, John Daniels and Chas. Perkins have been up in the Adirondacks a couple of weeks.

Nathan Curtis of Randolph has been in town the past week, the guest of Mr. and Mrs. V. L. Curtis.
The Street Commissioner desires all property owners in the village to rake up their leaves and burn them.

Mr. and Mrs. Howard Tanner recently spent a week visiting friends in Bainbridge, Afton, Deposit and Unadilla.
Charles Cooke of the U. S. Topographical Survey office at Washington, is with his family visiting his parents in Morris. He voted in Morris yesterday.

Wm. Harrington has moved from the Wallace house on Broad street to Mrs. Ella Mansfield's tenant house across the road.
The price of potatoes in Morris last week was 45c delivered at New Berlin. They were 42c in the eastern part of the county.

O. A. Edwards, who has got rich (or poorer) teaming it from Morris to Oneonta drawing feed, has sold out to Lefe Richardson.
Among our older voters yesterday were Sylvester Lent, aged 94 and Isaac Leggett, aged 94. Both in excellent health for such ages.

Stanley Kilkenny, who successfully passed the examinations last summer for a teacher in the Greater New York schools, was assigned last week to a school on Staten Island
The Williams Brothers, Ed. and Lynn, who have been on A. G. Carrick's farm and the Hall farm across the valley from it, have rented for next year the Lottridge farm near New Berlin.

H. J. Collier, who played two seasons with the Morris ball team and was captain this season, has bought an interest in the Sherburne fire insurance agency, and gone into business in that village.
A. G. Carrick has rented his big farm up the valley to John Davis, who this year is hauling milk to the New Berlin condensary. The farm was formerly and for many years owned by Mrs. Davis's great-grandfather, David Whitcomb.

Morris boys and some men opened the trapping season Nov 1st, by catching several muskrats. Since then judging from the odoriferous odor prevailing in the air, several specimens of the *mephitis mephitis* have fallen victims of the trappers.
Movable things about this village were transferred very promiscuously Halloween night. Boys and girls who are ladies and gentlemen at other times, become hoodlums on such occasions, seeming to think that the law on decency has been removed somehow.

While Jay Houghtaling and family, who live on the Stanley Bagg farm up the east side of the river in the town of Morris, were in the field to work on Friday afternoon of last week, some unknown person entered the house and stole a gold watch and chain belonging to Mr. Houghtaling, an emblem pin, also a pocketbook containing \$3.00.—*Bee*

The home of Mr. and Mrs. A. W. Carr was made happy by the arrival yesterday of a little daughter. Mrs. Carr's condition was not as favorable as might be hoped for but she is considered to be improving.—*Oneonta Star Nov 3d.*

Mrs. Carr was Miss Vivian Harrington, formerly of Morris, where many friends extend congratulations and hope for Mrs. Carr's speedy recovery.
The Durno Co., which appear in the Parish House this evening, the second number in the Concert-Lecture Course, were in Edmeston a year ago, and one of the managers of their course says it was the greatest ever in Edmeston and by request Durno visits Edmeston again this fall. This is recommendation enough. Be sure and see Durno this evening.

The State road is finished from the corporation line to the bridge across the brook at McNitt's, a distance of half a mile. No more building will be done as far as surfacing is concerned this fall, and the road will be opened to travel soon. Mr. Manion hopes to be able to finish up several sluices and culverts yet this fall. These are all made of concrete and are many in number.
Altho rather late in getting there (and it's not wholly our fault) the CHRONICLE extends best wishes and congratulations to Mr. and Mrs. Frank Churchill. This couple were married Oct. 23d and went to New York for their wedding trip. The bride is Miss Bertha Starr, daughter of Henry Starr, an accomplished young lady who has been teaching some years since her graduation. Mr. Churchill is a prosperous young farmer who has always lived on the home farm with his parents, Mr. and Mrs. James Churchill.

OBITUARY.

Emmer Hulbert Coase.
On Monday afternoon, Nov. 5th Mrs. Pomeroy Coase was stricken with heart disease at her home between West Laurens and Otsego, and expired almost instantly. Mrs. Coase was 56 years old, the only daughter of the late Charles Hulbert, and with her husband resided on the old homestead farm. She was a woman highly respected and beloved by all her neighbors, and her home was one of unlimited hospitality. Her death fills many hearts with sorrow. She was a strong robust woman, apparently in excellent health, and death came without warning or premonition. Mrs. Coase was a cousin of Mrs. B. D. Phillips of this village.

Mrs. Charles H. Brown.
Mary Ursula Skidmore Brown, widow of C. R. Brown, died at her home in Saratoga, Oct. 28th. Mr. and Mrs. Brown moved from Morris to Saratoga in 1880. Mrs. Brown was the daughter of Luther Skidmore, in early years a prominent citizen, merchant and land holder in Morris. Her first husband was Uri Jackson, and after his death she married Mr. Brown. She is survived by one daughter, Mrs. Frederick Menges of Saratoga.

Dr. William B. Chambers.
Dr. William Chambers died in the Binghamton State Hospital on Friday, Nov. 2d, aged 73 years. The funeral was held at Myron Gillett's in New Lisbon, the home of his wife, on Monday, with interment in Hillington Cemetery. Dr. Chambers was a graduate of the Albany Medical College. During the Civil War he was assistant surgeon in the service. He went to Canada after the war, where he practised until he came to Edmeston. While engaged in his profession there he married Miss Lina Gillett of New Lisbon, and later settled at Hartwick. His health gave out shortly after he went to Hartwick, and he was taken to the hospital at Binghamton. This was about 16 years ago. Dr. Chambers was a physician of ability and successful in his practise in the days of his health before his mind became obscured.

POPULAR TRAVELING MAN KILLED.

Last Friday afternoon the residence and store of W. T. Squires at North Brookfield, in which was the postoffice, was destroyed by fire, started in a peculiar way. Charles Squires was showing a new gun to Charles Bigelow, traveling man for Crouse the Utica grocer, when the gun was discharged. The bullet struck and pierced a can of turpentine. Instantly there was a tremendous explosion and the store was in flames.

Mr. Bigelow was caught in the outburst and so severely burned that he died Saturday night. Squires was burned, but not seriously. Mr. Bigelow was well-known by Morris business men and his wife is a sister of William Blackwell of this village. His home was at 179 Seymour street, Utica.

At the Ellenville Fair this fall, when the balloon went up, one of its ropes whipped around Mrs. Mary Roper's ankles and drew her up, and she sailed away, head downward. The balloon went high but the weight of the two persons was too much and it settled to the earth again. Mrs. Roper was rescued uninjured, but terribly frightened from her terrible experience. She now sues the Fair Association for \$25,000 for contributory negligence.

Walter Bunn of Schuyler Lake, employed on Perry Rathbun's farm near there, had his arm shattered by the accidental discharge of a shotgun. He was taken to the Cooperstown hospital and his arm was amputated at the elbow. He was 18 years old.

TOWN ACCOUNTS.

The Town Board will meet on Thursday of this week at D. G. Winton's to audit town accounts. All persons having accounts against the town can leave their property vouchers for with Supervisor Shaw, E. E. Carpenter or D. C. Winton.

Election Returns.

N. W. Carey, the local Western Union operator, made arrangements with the Oneonta office to receive the election returns and secured the rooms in the rear of the Bank, where the bulletins put out in New York were promptly received, as well as minor election news from all over the country.

Following are the majorities received in Morris—all Republican except Dr. Cruttenden for coroner. The doctor's neighbors gave him a handsome complimentary vote:

Hughes for Governor.....116
Heacock for Senator.....113
Rest of State Ticket.....111
Gladding for Supreme Court.....124
Fairchild for Congress.....113
Cruttenden (dem.) for Coroner..... 11

New Lisbon gives the following majorities, all Republican except on Surrogate: Hughes 62, Fairchild 28, Heacock 47, Smith 47, Byard (dem.) 5, Brownell for coroner 37.

In this Congressional district Delaware and Schoharie counties gave Col. Scott small pluralities and Oneonta gave him 483; but Otsego, Greene and Ulster give Mr. Fairchild substantial pluralities sufficient to elect him. This was the news at 11:30 last night, and Republican headquarters claimed Mr. Fairchild's election by 1,500 plurality.

Mr. Hughes carried Otsego county by about 1,700 majority. We give below the majorities for Governor for 1904 and 1906 in those towns we were able to hear from. These indicate that in the rural districts Mr. Hughes ran practically up to Mr. Higgins and this fact encouraged Republicans to believe early in the evening that Mr. Hughes had won out.

Otsego Republicans elected their entire county ticket by pluralities running from 75 for Willis for Surrogate up to 1700 for the head of the ticket. Mr. Byard made a great run the result of which was in doubt until practically the last town was heard from. He carried the strong Republican town of Otsego, the home of both candidates, by 6 majority.

At one o'clock this morning Democratic State headquarters in New York conceded Hughes' election by 35,000, and the rest of the Republican State ticket. It was a great political battle.

In New York City State Senator Thomas F. Grady, Democrat, was re-elected over Thomas Rock.

CHICKEN PIE ILLUMINED.

[Lines brought out by the following item in a recent issue of THE CHRONICLE from a far away friend, but not for publication, which is done by permission of the receiver of the lines and not by the writer.—Eds.]

"The annual supper will be held next Tuesday evening. The central thought will be chicken pie with minor things built up around it."

Toward the annual supper
And its "center," chicken pie,
My enthusiastic thoughts
And I breathe a longing sigh
In youthful days, our appetite
Is called "the best of sense."
And we don't expect in later years
Food will taste the same of course
Yet when I came back to Morris,
Grown old, and bent, and gray
I found things just as tasty
As in my earlier day

The hills seemed just as beautiful
As in the days of old,
And, best of all, the early friends
Still kept their hearts of gold
I surely can't approach you
In culinary art,
But I wish you every blessing
From the bottom of my heart.
May "minor things" be lovely
Please the palate and the eye
May you join with me in saying,
Long live the "chicken pie!"
