The Morris Old Home Days idea arose in the spring of 1977. The sponsoring organizations are the Rotary, American Legion, Fire Department, Emergency Squad. These four organizations are all service oriented organizations. Their purpose is to serve the area.

The purpose of Morris Old Home Days Activities is to strive to regain some of the simpler life styles, create community good will and friendship; as well as to obtain finances for our service organizations, in a non-commercial way.

We are hoping to draw participants in our various activities from all parts of the state.

The committee would like to take this space to thank all of the many individuals who helped in any way to make Morris Old Home Days a reality.
