pr∈ventable fires."

Principal Stanton has made arrangements with Syracuse University to offer a three-hour course, covering a period of sixteen weeks or one college semester, at the local high school. The tuition would be the same per semester hour of credit as the tuition for the same course if offered at Syracuse. Such a course would gain one a res-Idence at Syracuse and at the same

time give regular credit toward a de-

gree. In fact, many teachers and taking advantage of this offer not only to brush up but to complete advanced. standing. Carthage teachers numbering 40 are now taking such a course and 20 odd are registered at Lowville.

Teachers, training class students or seniors in high school may take this course. Psychology of Education will doubtless be the subject taught the first semester. Classes will meet once a week from approximately 4 to 6 p.m. Are you interested in becoming a

better teacher? Are you interested in a degree? Would you, as a Senior in departed an hour or so of dancing will high school, like to cut down the length of your college or Normal course? Possibly you have not had the opportunity to obtain a college education. If so, address Prin. Geo. J. Stanton, Richfield Springs, N. Y., and he will send you a registration blank. Remember the credits obtained are transferable from Syracuse to other colleges and normal schools.

Prof. Oscar Wesley, Professor at Syracuse University, will be sent here to give the course. He has received graduate training at Ohio State University, University of Chicago, and the University of Michigan. He has also been head of the Department of Education in a mid-west college. Under his leadership the course is bound to be not only interesting but very in-
