# Your Mayor & Council

Dear Neighbors,

Another year has come and gone. In many respects Wenonah has weathered the recent storms better than many of our neighboring communities. I would encourage you to reflect on our collective good fortune and consider what you can do to help keep our small borough safe, clean, vibrant, and inviting.

One of the main reasons Wenonah is so special is because so many of you dedicate so much of your time and energy to enrich and improve our community through volunteer service. Never does a week pass without some activity or event taking place that has been organized by volunteers with the goal to maintaining or enhancing the special qualities of our borough. I invite you to consider volunteering for one or more of the organizations that are listed on the inside back page of the calendar or just come out to a meeting and let your voice be heard.

As the mayor and council continue to work for you in 2013, we will look to you for ideas and suggestions. My goal is to lead Wenonah into the future without losing sight of its past and the unique characteristics that make it one of the finest municipalities in New Jersey.

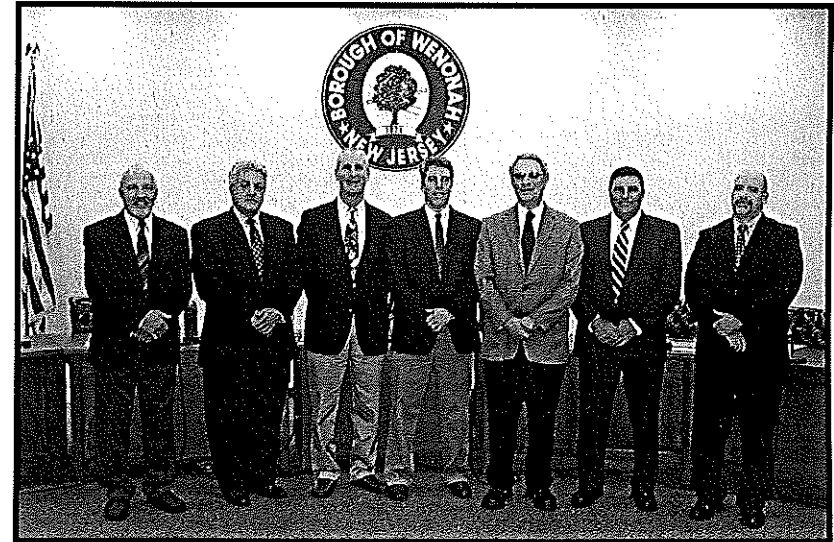

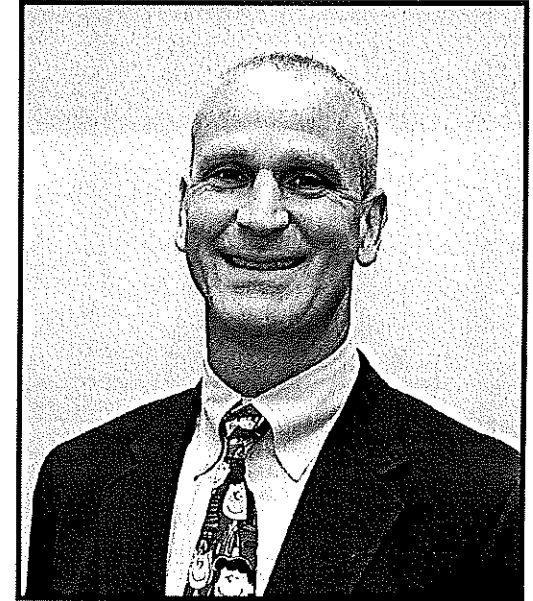

Thank you for the honor of serving you as your mayor and again, please consider my invitation to get involved in one of the many worthwhile civic organizations that are the backbone of our community. Wenonah needs you!

*Sincerely,*

*Mayor Tommy Lombardo*

*Our 2012 Mayor and Council*

*Left to Right: Ron Farino, Paul Lader, Mayor Tommy Lombardo,  
Bill Norris, John Howard, Phil Kaeferle, John Dominy*

Greetings from your Council President,

Each year, the Borough issues our community calendar. If your family is like mine, the calendar resides in that special nook in the kitchen for quick and easy reference. When are leaves picked up? When is bulk trash pick-up? Who do I call about my sewer bill? It's all there, in the calendar.

However, there's more behind the scenes than what is evident in the pages of the calendar. Look further and you will see that Wenonah is truly a community of volunteers. From our fire company to our athletic association, many essential services are provided by volunteers. This includes Mayor and Council, both of which are 100% volunteer, receiving absolutely no compensation of any sorts.

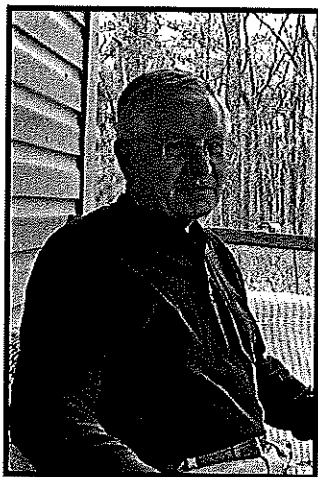

For over a hundred years, Wenonah has been a community of volunteers. Let us keep this tradition alive. Reach out and participate. There are never enough volunteers, never enough hands and voices. It is what will keep our small Borough vibrant and unique for many years to come.

On behalf of Mayor and Council, I invite all residents to attend our bi-monthly council meetings, generally held on the second and fourth Thursday of each month. (yes, the schedule is "in" the calendar!) Rather than watch from the sidelines, I encourage all residents to step-up and participate. Whether if it is to attend a council meeting, or volunteer with the group of your choice. There is a role for all to play in this great community of ours.

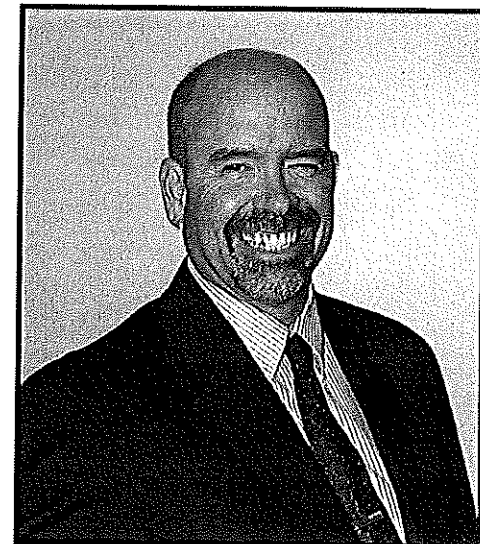

Of course, it goes with out saying -- never hesitate to contact any member of Council with any concern. We are your neighbors and friends; we will listen, for that is what WE volunteered to do.

Best wishes for a prosperous 2013, Council President John Dominy

\* \* \* \* \*

A special thank you to Greg Shast, our "**Volunteer of the Year,**" honored in 2012 for his twenty-five years of service to the Borough of Wenonah.

## Wenonah Historical Society, by Charles Horan, President, Wenonah Historical Society

**T**he Wenonah Historical Society was created in 1982 with the mission to educate, preserve and propagate the history of this very unique community. Part of our educational aspect is the annual program presented to the fifth graders of Wenonah School on the history of their town. In the mid 1970s, as the Train Station was being renovated, our distinguished member, Marjorie Lentz, published a definitive history of Wenonah. This publication was updated and revised in 2009 and is available at the library. Many Wenonah historical artifacts are preserved and archived in our "museum" in the Community Center.

The Wenonah Historical Society meets on the second Friday of each month (except July & August) in the Train Station at 7:30. Programs on topics of local historical interest are presented each month. Guests and prospective new members are always welcome.

## Wenonah Environmental Commission

The Wenonah Environmental Commission (WEC) is charged with preserving Wenonah's unique natural resources for the enjoyment of local residents. WEC manages 135 acres of conservation land, which is over 21% of the borough's land area. Their long-standing objective is to create a "Ring of Green" around the borough. The ring is a continuous area of land kept not just in an undeveloped state, but in a healthy and accessible state. To that end, WEC has and continues to: Restore Wenonah's historic ponds and lakes; Protect our streams from silt-laden runoff, trash, and other debris; Construct foot trails; to allow everyone to appreciate our natural wonders close up; and Educate the public – especially our youngest citizens – about our local environment and how to best conserve it.

Visit the WEC website for a wealth of information about the nature and history of Wenonah @ [wenonahenvironmentalcommission.org](mailto:wenonahenvironmentalcommission.org). For further WEC information contact Richard Dilks at 468-6342

# Serving Wenonah and its Residents

## Wenonah Public Works Department

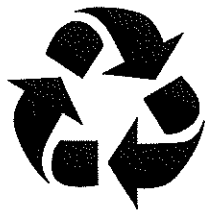

The Public Works Department, under the supervision of Ken Trovarelli, begins their day at 7:00 am handling a wide variety of tasks within our borough. Depending on the season they take care of snow removal, mow our municipal grounds (including the park and ball fields), and prepare the beach and playground at the Wenonah Lake for the member's summer fun. There are also the bulk leaf and containerized yard waste collections throughout town. Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations, and water testing. In addition to all of those tasks, Public Works collects your metal products (appliances and scrap metal) for recycling, and re-arranges the court room set up for meetings and elections.

# Wenonah Police Department To Protect and Serve

**O**ur Police Department strives to provide quality service by achieving a safe environment through police and citizen interaction. The Wenonah Police Department is available round-the-clock providing for the safety of the residents. Although the department's main focus is on crime prevention, investigation, and education, they interact with the public through the Municipal Alliance Senior Breakfast and Luncheon, partner with the Lions Club for the Annual Easter Egg Hunt, as well as the D.A.R.E Program. This helps to make Wenonah the very special place it is.

All residents are encouraged to report their concerns to the Police Department Office at 468-6262. If you are in need of non-emergency assistance from the officer on duty, call the Police Dispatch at 856-589-0911. For immediate emergency service call "911."

# Celebrating Our Volunteers

## Wenonah Lake

**O**ur Lake is a borough owned and operated lake that offers swimming, a white sand beach, various recreational activities, and picnicking. The lake is open from Memorial Day through Labor Day. In-town and out-of-town memberships and pavilion rentals are available by contacting the borough office at 468-5228. In addition to the borough's care there are many volunteers who work hard to make the lake a great place to visit.

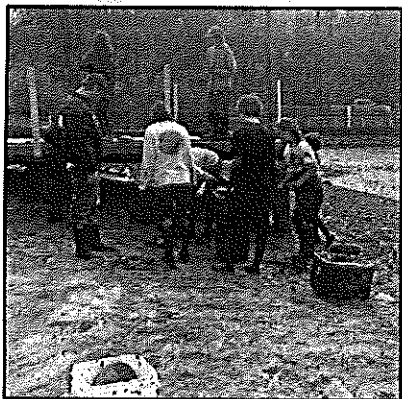

2012 was a year that Lake Lowering and Fish Salvage was performed. Engineer, Dave Kreck obtained all the necessary permits from the Bureau of Freshwater Fisheries so the project could begin. Dave also participated in the fish salvage. The lake is lowered periodically so dredging can be done to deepen the lake around the

diving area for the safety

of the divers. **The Lombardo's, Dominy's, and Richard Dilks help with the project**

Volunteers catch and relocate the fish to Dilks Pond. Councilman Kaerle and the Public Works Department will coordinate the actual dredging work, which is planned for January, 2013.

## Wenonah Lake Association

**T**he Association sponsors various social activity fundraisers through the year to benefit our lake. An example, One Night of Song and Dance, is a fundraiser that brings together local musicians and singers who band together leading up to a "goodbye to summer" event in the early fall (photos below.) Visit the Lake Association's website at [www.wenonahlake.org](http://www.wenonahlake.org).

## The Wenonah Athletic Association (WAA)

**T**he Wenonah Athletic Association is a non-profit volunteer organization dedicated to serving the youth of the Borough of Wenonah. The Association provides organized athletic opportunities for all sports, including Baseball, Basketball, Softball, and Soccer. They meet in the Community Center on the 3rd Wednesday of the month at 8pm. Please contact Fritz Winterle at 468-9597 to discuss team sponsorships, equipment donations, or membership questions.

# Celebrating Our Volunteers

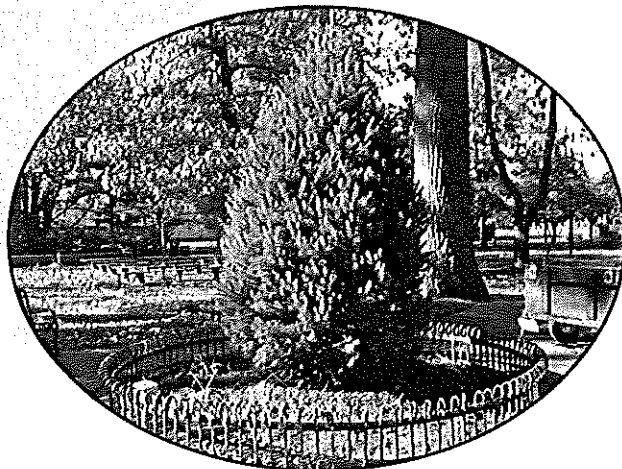

## The Wenonah Lions Club

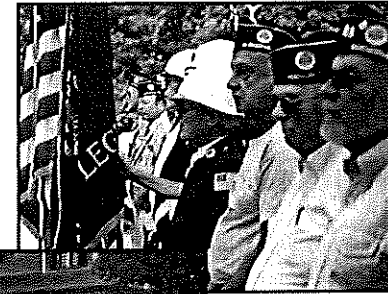

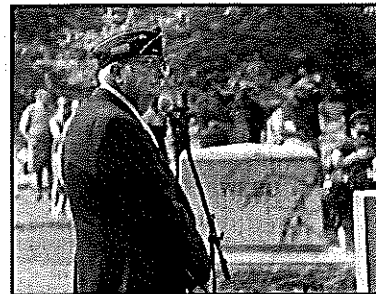

The Wenonah Lions Club has been serving this Community since 1951 and the 4th of July parade is, undoubtedly, its signature event drawing former residents from near and far. However, the Wenonah Lions Club does much more for the Community. Their primary work is directed to Sight Projects.

Lions are often associated with their "White Cane" project, and annual collection of funds from the public specifically oriented to supporting research and assisting those with vision problems. Eyeglasses, hearing aids and cell phones may be dropped at the collection container provided inside the Wenonah Post Office. The Wenonah Lions sponsor the annual Easter Egg Hunt in the Park, along with D.A.R.E., and provide awards for academic achievement by the top rated boy and girl among the 6th Grade Class and a scholarship to a worthy graduating student at Gateway Regional High School. The Wenonah Lions Club is open for suggestions for Community projects and appreciates donations for its support of sight-related projects.

Each year the Lions "Light the Park" to celebrate the Christmas season. In 2012 they donated and planted a "live" tree (pictured here) to replace the old, artificial tree that had definitely seen better days. They also decorated the tree and combined their Children's Christmas Party with the Mayor's "Holiday Tree Lighting" that included holiday music by the elementary school and a visit with Santa.

Contact Ron Cline  
@ 464-6748 to suggest  
Lions Club  
community projects or for  
more information about  
the Lions.

American Legion members on Memorial Day; 4th of July Parade

## American Legion, Arthur J. Holeton Post 192

The Post meets on the first Thursday of each month, except for July and August, at 7:30 PM in the Community Center. All interested veterans are invited to attend meetings. Legion Posts are mostly involved in carrying-out community service and Legion-related projects which include sponsoring selected Gateway Juniors as delegates to NJ Boys State, honoring our veterans by sponsoring the Wenonah Memorial Day celebrations, awarding outstanding citizenship citations to Wenonah School graduates and to all new Wenonah Eagle Scouts, and maintaining the flag poles and lights at the Community Center, Park, and Borough Hall areas. Younger veterans are especially needed to help carry-out many of these, sometimes ambitious, projects.

A most important service to the veteran, through the National Legion organization, is to keep individual members apprised of the changes and additions to veteran-related governmental assistance programs and opportunities, both medically related and otherwise.

Contact Ed Hudson @ 468-5345 for additional information.

# Celebrating Our Volunteers

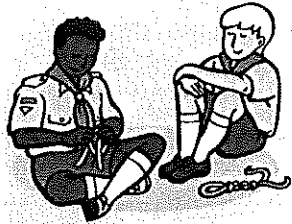

## Shade Tree Commission by Gary Odenbrett, Chairman

The Commission's responsibilities include protecting the borough's existing trees, supervising the care, trimming, removal and planting of shade trees within "Clear Zone", thereby maintaining the beauty of our town, improving the quality of life and enhancing the value of property within the borough. Wenonah was given and has kept the honor as a designated Arbor Day Foundation "Tree City USA" for sixteen years.

**TREE CITY USA®**

## Boy Scouts of Wenonah A Little Scout History by Kurt Kohler

In 1903 Reverend Gage of the Wenonah Presbyterian Church started a boys club called the Boys Brigade. This was a Christian youth organization that used the outdoors to teach self-reliance and build character in Boys. In late 1910 the US government chartered the Boy Scouts of America and Reverend Gage decided to transfer the Boys Brigade into that organization. Reverend Gage served as the first Scoutmaster from its inception in 1911 to his death in 1932. Local town lore says that Wenonah had the first troop in South Jersey and had the Troop #1 designation for many years. In the 100 years since, Wenonah has produced over 90 Eagle Scouts.

## Woman's Club of Greater Wenonah

The Woman's Club of Wenonah was organized in 1922 and Federated in 1923. Their purpose is the study of subjects affecting the development, welfare, and advancement of women. Their book club is very active and open to everyone. The club participates in many worthy community projects. They sponsor the Red Cross Blood Drive and also a Platelet Drive in conjunction with the Home & School of Wenonah and Bradley's Buddies. They give a \$1000 college scholarship to a Gateway graduate and awards to the Wenonah Elementary School's 6th graders. These are but a few of their accomplishments. Please visit their website at: [home.comcast.net/~paulab52/site/](http://home.comcast.net/~paulab52/site/) or come out and join them at a meeting; usually the second Monday of the month at 7:30 pm in the Community Center (except for June, July, and August.)

# WENONAH'S SOLID WASTE DISPOSAL GUIDELINES

*In an effort to contain the cost of solid waste disposal the following guidelines have been developed.*

## Recycle on Fridays

### When

- Place recycling items in your recycle container at the curb Thursday evening or on Friday by 6:45am.
- After collection, please remove empty container promptly from curbside.
- Please call the Finance Office with your recycling questions @ 468-5228 or Public Works @ 468-5300.

### What to Recycle - some examples:

- Glass bottles and jars (please rinse.)
- Aluminum, tin, bi-metal, and steel cans (please rinse.)
- Newspapers, cardboard, food boxes, magazines.
- Plastic containers (#'s 1 to 7.)

### What NOT to Recycle - some examples:

- Window glass, mirrors, plates, light bulbs, ceramics, crystal, or aerosol cans – go with trash.
- Empty containers of oil based paint, gasoline, other hazardous household chemicals, or materials.\*
- Please take plastic grocery bags back to store for recycling.
- Household alkaline batteries **may** be included with trash
- (No button batteries in trash please.)

Please **DO NOT**: Dispose of household waste, chemicals, medicine, poisons, etc. in a toilet, household drain, catch or storm drain where they will contaminate soil, local streams, or drinking water sources.

### Used Motor Oil Disposal

For disposal information call Public Works @ 468-5300 and leave your name and phone number. Oil should be put in clean plastic bottles and not be contaminated with other materials.

\*Gloucester Co. sponsors several Special Household Hazardous Waste Collection Days. Refer to the Gloucester Co. Recycling Guide. Visit their website: [www.gcianj.com](http://www.gcianj.com) or call 856 478-6045.

## Trash Collection on Fridays

### When

- Place trash at the curb Thursday evening or by 6:45am Friday.
- After collection remove empty container promptly from curbside.

### How

- Use only provided container.
- Place all your trash in plastic bags before putting in the container.
- Container belongs to the Borough. If you move do not take it with you, please leave for the next resident.

### What NOT to Include with your Trash:

- All trash or debris resulting from construction or home improvement is the responsibility of the contractor and/or homeowner. No exceptions. Includes bricks, cinder blocks, pressure treated wood or other building materials that do not comply with the guidelines.
- The homeowner or contractor is responsible for proper disposal of chain link fencing and other types of fencing.
- Wood remaining from tree removal.

### Latex/Water Based Paint: See following for paint can disposal.

- (No more than ½ full) add kitty litter or speedy dry and then mix until completely dry. Place next to trash container.
- Leave paint can **lid off** to show paint has dried.

### Special Pickup Non-Metal:

- Furniture, items too large for trash pickup, last Friday of the Month – By Trash Hauler.

### Special Pickup Metal: Collected by Public Works Dept.

- (no metal fencing)
- For pickup call Public Works @ 468-5300 (Monday-Friday).
- Leave your name/address/telephone number and metal item.

# WENONAH'S SOLID WASTE DISPOSAL GUIDELINES (Cont'd)

## Bulk Leaf Collection

October 15<sup>th</sup> through December 16<sup>th</sup>

Please **Do Not** put leaves in bags or containers.

Place in street away from curbs, vehicles, and storm drains

### Where should I put my leaves?

- During bulk leaf collection, please place leaves in the street.
- Place them far enough from the curb line to allow water to flow past to the catch basins.
- Leaves should be placed a minimum of **10-feet** from all storm water catch basins.
- Please **Do Not** place leaves near a parked car. Adequate space is required for borough large leaf removal equipment.

### Can I put other material with my leaves?

- Do not mix large shrubs, limbs or branches in with leaves.
- If these items are mixed in, or are on top of the leaves, they **cannot** be picked up.
- Pine needles may be included with leaves.
- See "Branches for Chipping" and "Yard Waste" guidelines.

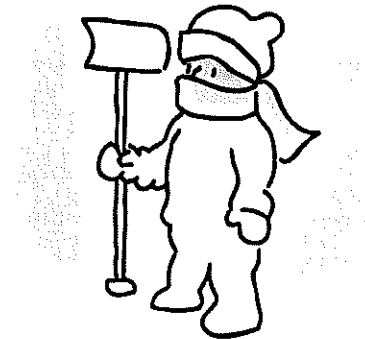

### When will my leaves be picked up?

- Leaves will be picked up on a continuous rotating basis throughout Wenonah from Oct. 15th thru Dec. 16<sup>th</sup>.
- These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.

## Snow Removal Guidelines

- When snow is expected please make every attempt to park your vehicle in a driveway.
- If you must park in the street use the odd-even system to facilitate snowplowing:
  - Odd Days, park on the odd-numbered side of the street
  - Even Days, park on the even-numbered side of the street
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the borough plows have passed before shoveling your driveway.

IN APPRECIATION

*I'd like to thank all those who contributed information and photos for the calendar to celebrate our borough volunteers. I truly appreciate your assistance in making the calendar informative and enjoyable to read.*

*Wenonah is fortunate to have so many who choose to give of themselves individually, within an organization, their church, or a charity.*

*Only a sampling of our many volunteers and volunteer opportunities were able to be addressed here. However, all are to be congratulated for contributing their valuable time and talents by helping others, no matter where or how.*

*Thank you once again,  
 Helen Hadfield, Editor*
