

Borough of Wenonah 2015

# YOUR MAYOR & COUNCIL

Mayor John Dominy

Wenonah is home. Our home. Although we are a collection of residents with diverse experiences and backgrounds, we all do have at least one shared interest -- Wenonah. It is this common interest that binds our small vibrant community. Wenonah is more than just a municipality, or any one individual, it is a collection of people, and our home.

Mayor and Council are proudly 100% volunteers. We receive no compensation whatsoever. However, in Wenonah, this thread of volunteerism is not unusual as it runs throughout our community. Whether one is a member of the Fire Company, the Athletic Association, the Environmental Commission, the Shade Tree Commission, or the Lion's club, all freely serve our community as volunteers.

I do not believe that there exists a small town anywhere that possesses the passion and spirit like Wenonah. We are indeed unique. And with the continued help of all of you, our community will remain strong through the coming years. My goal as your Mayor is to see that we leave Wenonah for our children as our parents before us left it to us. However, I need everyone's help. Be active, be involved, and together, we can pass Wenonah onto future generations. Keep caring, it does matter.

See you around town.

Mayor John R. Dominy

# DEPARTMENT OF PUBLIC WORKS

The Public Works Department, under the supervision of Ken Trovarelli begins their day at 7:00 A.M. handling a wide variety of tasks within our borough. Depending on the season, they take care of snow removal, mow our municipal grounds (including the park and ball fields), and prepare the beach and playground at the Wenonah Lake for the member's summer fun. There are also the bulk leaf and containerized yard waste collections throughout town. Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations, and water testing. In addition to all of those tasks, Public Works collects your metal products (appliances and scrap metal) for recycling, and re-arranges the court room set up for meetings and elections.

Please refer to the guidelines printed in this calendar for information on branch, yard waste, bulk leaf pickup, recycling and snow removal.

## BULK LEAF COLLECTION

Beginning the week of October 13<sup>th</sup> and ending on the week of December 14<sup>th</sup>  
Please DO NOT put leaves in bags or containers.

### Where should I put my leaves?

- During bulk leaf collection, please place leaves in the street.
- Place leaves far enough from the curb line to allow water to flow past the storm water catch basins.
- Leaves should be placed a minimum of 10 feet from all storm water catch basins.
- Please DO NOT place leaves near a parked car. Adequate space is required for borough large leaf removal equipment.

### Can I put other material with my leaves?

- Do not mix large shrubs, limbs or branches in with leaves.
- If these items are mixed in, or are on top of the leaves, they cannot be picked up.
- Pine needles may be included with leaves.
- See "Branches for Chipping" and "Yard Waste" guidelines.

### When will my leaves be picked up?

- Leaves will be picked up on a continuous rotating basis throughout Wenonah beginning on the week of October 13<sup>th</sup> and ending on the week of December 14<sup>th</sup>.
- These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.

## SNOW REMOVAL GUIDELINES

When snow is expected, please make every attempt to park your vehicle in a driveway.

If you must park in the street, use the "odd-even system" to facilitate snowplowing:

- Odd Days, park on the odd-numbered side of the street.
- Even Days, park on the even-numbered side of the street.
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the borough plows have passed before shoveling your driveway.
