

**BOROUGH OF
WENONAH 2019**

YOUR 2019 MAYOR AND COUNCIL

Wenonah is home. Our home. Although we are a collection of residents with diverse experiences and backgrounds, we all do have at least one shared interest that binds our small vibrant community. Wenonah is more than just a municipality, or any one individual, it is a collection of people, and our home.

Mayor and Council are proudly 100% volunteers. We receive no compensation whatsoever. However, in Wenonah, this thread of volunteerism is not unusual as it runs throughout our community. Whether one is a member of the Fire Company, the Athletic Association, the Environmental Commission, the Shade Tree Commission, or the Lion's club, all freely serve our community as volunteers.

I do not believe that there exists a small town anywhere that possesses the passion and spirit like Wenonah. We are indeed unique. And with the continued help of all of you, our community will remain strong through the coming years. My goal as your Mayor is to see that we leave Wenonah for our children as our parents before us left it to us. However, I need everyone's help. Be active, be involved, and together, we can pass Wenonah on to future generations. Keep caring, it does matter.

Mayor John Dominy

MANTUA TOWNSHIP POLICE DEPARTMENT

The Mantua Police Department is proud to be of service to the residents of Wenonah, 24 hours a day, 7 days a week, 365 days a year. However, if you have ever wondered when to call 911 versus when to call the non-emergency numbers, we offer this advice. 911 should be called to report a crime in progress, suspicious vehicles/activity, a car crash, an injured person/animal, somebody who might be in danger, or any other perceived emergency. We encourage you to call as soon as possible if you observe suspicious activity or if you believe a crime has been committed. The single most important determination of whether or not a case will be solved is the information the victim/caller supplies to the immediately responding patrol officer(s).

Please do not email us or use social media in the above-named circumstances. If you simply need information, to file a report about a crime that is not in progress, or to speak with an officer for any other non-emergent concern, please call 856.468.1900. This will call into the Gloucester County Dispatch Center.

If you need to obtain a crash report or other record, please call 856.468.1920 and follow the prompts or email records@mantuatownship.com.

Our officers are held to the highest of standards and are expected to provide a level of service that is second to none. In order to better relate to the communities we serve, we often get out and interact with residents during times when we are not taking enforcement actions. These include special events, parades, community-related meetings, or even handing out candy during Halloween. We also aim to hold several Coffee-with-a-Cop type events throughout the year. If you see us out an about, feel free to come say hi. Have kids? We'll show them the police car, let them check out the equipment, and play with the lights and siren.

Overall, it takes all of us working together to make our communities the best they can be.

Don't forget to check us out on Facebook, Twitter, and Instagram too!

Slow Down: Back to School Means Sharing the Road

School days bring congestion: School buses are picking up their passengers, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work. It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school.

Sharing the Road with School Buses

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.

- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks

Sharing the Road with Young Pedestrians

According to research by the National Safety Council, most of the children who lose their lives in bus-related incidents are 4 to 7 years old, and they're walking. They are hit by the bus, or by a motorist illegally passing a stopped bus. A few precautions go a long way toward keeping children safe:

- Don't block the crosswalk when stopped at a red light or waiting to make a turn, forcing pedestrians to go around you; this could put them in the path of moving traffic
- In a school zone when flashers are blinking, stop and yield to pedestrians crossing the crosswalk or intersection
- Always stop for a school patrol officer or crossing guard holding up a stop sign
- Take extra care to look out for children in school zones, near playgrounds and parks, and in all residential areas
- Don't honk or rev your engine to scare a pedestrian, even if you have the right of way
- Never pass a vehicle stopped for pedestrians
- Always use extreme caution to avoid striking pedestrians wherever they may be, no matter who has the right of way

DEPARTMENT OF PUBLIC WORKS

The Public Works Department, under the supervision of Ken Trovarelli begins their day at 7:00 A.M. handling a wide variety of tasks within our borough. Depending on the season, they take care of snow removal, mow our municipal grounds (including the park and ball fields), and prepare the beach and playground at the Wenonah Lake for the member's summer fun. There are also the bulk leaf, branch and containerized yard waste collections throughout town. Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations, and water testing. In addition to all of those tasks, Public Works collects your metal products (appliances and scrap metal) for recycling, and re-arranges the council room set up for meetings and elections.

Please refer to the guidelines printed in this calendar for information on branch, yard waste, bulk leaf pickup, recycling and snow removal.

BULK LEAF COLLECTION

Beginning the week of October 14th and ending on the week of December 13th
Please **DO NOT** put leaves in bags or containers.

Where should I put my leaves?

- During bulk leaf collection, please place leaves in the street.
- Place leaves far enough from the curb line to allow water to flow past the storm water catch basins.
- Leaves should be placed a minimum of 10 feet from all storm water catch basins.
- Please **DO NOT** place leaves near a parked car. Adequate space is required for borough large leaf removal equipment.

Can I put other material with my leaves?

- Do not mix large shrubs, limbs or branches in with leaves.
- If these items are mixed in, or are on top of the leaves, they cannot be picked up.
- Pine needles may be included with leaves.
- See "Branches for Chipping" and "Yard Waste" guidelines.

When will my leaves be picked up?

- Leaves will be picked up on a continuous rotating basis throughout Wenonah beginning on the week of October 14th and ending on the week of December 13th.
- These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.

SNOW REMOVAL GUIDELINE

When snow is expected, please make every attempt to park your vehicle in a driveway. If you must park in the street, use the "odd-even system" to facilitate snowplowing:

- If the storm is expected on an odd numbered day, park on the odd-numbered side of the street.
- If the storm is expected on an even numbered day, park on the even-numbered side of the street.
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the borough plows have passed before shoveling your driveway.
