YOUR 2021 MAYOR AND COUNCIL

Mayor John Dominy

jdominy@boroughofwenonah.com

Dear Neighbors,

Without question, 2020 was a challenging year. With the passing of each month, I am sure many have been looking forward to 2021. The past year has made me appreciate the uniqueness of our small town all that much more. I once again look forward to seeing everyone along the parade route on a Wenonah 4th of July. We will all once again join our veterans as we honor those made the ultimate sacrifice for our nation on Memorial Day. As we have before, we will gather, BBQ, laugh and celebrate our friendships and our community once more in the coming year. Wenonah is special because of our residents, neighbors, and volunteer community organizations. It is the people that make this town one of kind.

In this calendar, you will see a number of volunteer organizations. These are the groups that make so many of our traditions and community events happen, year in and year out. I encourage everyone to join, support, and participate. Hold on tight to all that makes Wenonah our home. Let us keep working together to make 2021 an amazing year.

I'll see you around town.

Warm regards,

John R. Dominy, Esquire

MANTUA TOWNSHIP POLICE DEPARTMENT

The Mantua Police Department is proud to be of service to the residents of Wenonah, 24 hours a day, 7 days a week, 365 days a year. However, if you have ever wondered when to call 911 versus when to call the non-emergency numbers, we offer this advice. 911 should be called to report a crime in progress, suspicious vehicles/activity, a car crash, an injured person/animal, somebody who might be in danger, or any other perceived emergency. We encourage you to call as soon as possible if you observe suspicious activity or if you believe a crime has been committed. The single most important determination of whether or not a case will be solved is the information the victim/caller supplies to the immediately responding patrol officer(s).

Please do not email us or use social media in the above-named circumstances. If you simply need information, to file a report about a crime that is not in progress, or to speak with an officer for any other non-emergent concern, please call 856.468.1900. This will call into the Gloucester County Dispatch Center.

If you need to obtain a crash report or other record, please call 856.468.1920 and follow the prompts or email records@mantuatownship.com.

Our officers are held to the highest of standards and are expected to provide a level of service that is second to none. In order to better relate to the communities we serve, we often get out and interact with residents during times when we are not taking enforcement actions. These include special events, parades, community-related meetings, or even handing out candy during Halloween. We also aim to hold several Coffee-with-a-Cop type events throughout the year. If you see us out an about, feel free to come say hi. Have kids? We'll show them the police car, let them check out the equipment, and play with the lights and siren.

Overall, it takes all of us working together to make our communities the best they can be.

Don't forget to check us out on Facebook, Twitter, and Instagram too!

Slow Down: Back to School Means Sharing the Road

School days bring congestion: School buses are picking up their passengers, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work. It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school.

Sharing the Road with School Buses

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.

- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks

Sharing the Road with Young Pedestrians

According to research by the National Safety Council, most of the children who lose their lives in bus-related incidents are 4 to 7 years old, and they're walking. They are hit by the bus, or by a motorist illegally passing a stopped bus. A few precautions go a long way toward keeping children safe:

- Don't block the crosswalk when stopped at a red light or waiting to make a turn, forcing pedestrians to go around you; this could put them in the path of moving traffic
- In a school zone when flashers are blinking, stop and yield to pedestrians crossing the crosswalk or intersection
- Always stop for a school patrol officer or crossing guard holding up a stop sign
- Take extra care to look out for children in school zones, near playgrounds and parks, and in all residential areas
- Don't honk or rev your engine to scare a pedestrian, even if you have the right of way
- Never pass a vehicle stopped for pedestrians
- Always use extreme caution to avoid striking pedestrians wherever they may be, no matter who has the right of way

DEPARTMENT OF PUBLIC WORKS

Wenonah public works Department prides itself with providing our residents with quality services. We fill our daily schedule with picking up leaves, yard waste and branches year-round. Seasonally we maintain all Borough properties whether it is mowing our many acres of grass or plowing our 12 plus miles of roads. Daily we treat and maintain the water, sewer, and storm drain utilities to keep in compliance with the NJDEP.

Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations. Public works also collects your metal products, appliances, and scrap metal for recycling. These are only a few of the tasks that our Public Works Department routinely encounter.

BULK LEAF COLLECTION

Beginning the week of October 12th and ending on the week of December 13th
Please **DO NOT** put leaves in bags or containers.

Where should I put my leaves?

- During bulk leaf collection, please place leaves in the street.
- Place leaves far enough from the curb line to allow water to flow past the storm water catch basins.
- Leaves should be placed a minimum of 10 feet from all storm water catch basins.
- Please **DO NOT** place leaves near a parked car. Adequate space is required for borough large leaf removal equipment.

Can I put other material with my leaves?

- Do not mix large shrubs, limbs or branches in with leaves.
- If these items are mixed in, or are on top of the leaves, they cannot be picked up.
- Pine needles may be included with leaves.
- See “Branches for Chipping” and “Yard Waste” guidelines.

When will my leaves be picked up?

- Leaves will be picked up on a continuous rotating basis throughout Wenonah beginning on the week of October 12th and ending on the week of December 13th.
- These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.

SNOW REMOVAL GUIDELINE

When snow is expected, please make every attempt to park your vehicle in a driveway. If you must park in the street, use the “odd-even system” to facilitate snowplowing:

- If the storm is expected on an odd numbered day, park on the odd-numbered side of the street.
- If the storm is expected on an even numbered day, park on the even-numbered side of the street.
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the borough plows have passed before shoveling your driveway.
